FIREHOUSE

VOLUNTEER FIRE DEPARTMENT

(left to right): Selectboard Chair, Lynn Gardner; crash victim Shane Driscoll; and award recipient Tom Boivin.
PHOTO BY CHRIS MORRELL

Tom Boivin Wins Life Saving Award

It was an emotional few minutes at the start of this month's Hinesburg Fire department meeting. Tom Boivin, a long-time member of the department, was given a life saving award by Hinesburg Select Board Chairman Lynn Gardener.

Present during the award ceremony was Shane Driscoll and his mother Judy Driscoll. Shane was a passenger in a car that went ran off of Texas Hill Road on June 17 and slammed broadside into a tree. While the driver escaped with minor injuries, Shane Driscoll was crumpled in the passenger seat with his head cocked at an awkward angle and was not breathing.

Boivin, one of the first people at the scene because the crash occurred near his home, recognized that Driscoll would die unless he took action. He crawled into the wrecked vehicle and gently positioned Driscoll's head to open an airway and then held Driscoll's head with just the right amount of tension to maintain the airway. With his airway open, Driscoll began to breathe again and by the time he reached the hospital he was talking with the emergency medical attendants.

Gardener praised Boivin for his actions that night and for his long time commitment to the town. Both Shane and Judy Driscoll thanked not only Boivin, but the entire group of firefighters, first responders and numerous police officers who were present for the ceremony. The ceremony concluded with a standing ovation for Boivin.

Regional Public Transportation Initiative

By Emily J. Stebbins

The Hinesburg Selectboard will hear about a new initiative to expand public transportation services in northwestern Vermont at its October 4 meeting, to be held at 7:00 p.m. at the Town Hall. Micque Glitman, Project Coordinator of the Regional Public Transportation Initiative, will speak to the board about the future of public transportation in Hinesburg and Chittenden County.

Glitman will be seeking comments from board members and the public about new recommendations developed by the Initiative, a task force of the Chittenden County Metropolitan Planning Organization (CCMPO).

The Initiative's initial recommendations call for legislation that would authorize a Regional Public Transportation District to plan, implement, and manage public transportation in Chittenden County. An interim board of the new District would develop detailed governance and funding proposals and report back to the legislature for final approval before a public vote on the issue.

A key element of the Initiative's proposal is decreased reliance on the property tax as a means of funding public transportation. The Task Force recommends the creation of a dedicated fund for public transportation within the State Transportation Fund.

Transportation is crucial to seniors' ability to live well independently and a family's economic survival. Expanded public transportation services would give the Town of Hinesburg more options to meet the needs of its 355 households with only one vehicle, those with no vehicle available, and its senior citizens, approximately 225 of whom are over 65 years of age.

Regional public transportation, which could include commuter shuttles and cross-county links, would reduce traffic congestion and ease the commute of the over 1,400 Hinesburg residents who travel to work in other towns in Chittenden County and the 666 people who travel into Hinesburg daily for work.

After receiving feedback from Hinesburg and other Chittenden County communities, the Task Force will present its final proposal to the Boards of the CCMPO and the Chittenden County Transportation Authority (CCTA) for approval this fall. Final adoption of the recommendations is scheduled for October. More information and an opportunity to submit comments can be found on the CCMPO Web site at <http://www.ccmpto.org/rpti>.

Town Plan Progress and Appreciation

By Alex Weinhagen, Town Planner

Many thanks to all of you who attended the Planning Commission's August 4 public hearing on the proposed Town Plan revisions! The Planning Commission listened carefully to the thoughtful feedback given at the hearing by the 30+ attendees. The Commission made some additional changes to the Plan based on that feedback and wrapped up its discussion of the Plan at its August 18 and September 15 meetings. I am making the necessary changes to the document, and will soon deliver it to the Selectboard for action.

Please hang in there for one more round of public input. Once in the Selectboard hands, they may make additional changes prior to scheduling their public hearing on the Plan. After that hearing the Selectboard can either adopt the Plan or hold additional hearings. Keep your eyes on the Town web site (www.hinesburg.org) or contact me to find out when the Selectboard public hearing will be.

The Planning Commission and I are very much looking forward to working with the community on zoning changes to help implement the new Plan. We are planning to hold

community forums and design workshops (otherwise known as charettes) to paint a picture of what is possible both within the existing village core (i.e., redevelopment) and in the greater village area (i.e., expansion areas). We are currently preparing a grant application to help pay for a comprehensive look at our options and future scenarios with the help of professional consultants. We plan to kick off these efforts once the Selectboard's final round of public hearings is completed and the new Plan has been adopted. Much more on all that later this Fall!

FEMA Flood Hazard Map Revisions

The Federal Emergency Management Agency (FEMA) is in the final throes of updating the flood hazard area maps for Hinesburg. Many of these areas will stay the same, but there are some significant changes in the greater village area, especially along the LaPlatte and Patrick Brook.

Let's Bring the Fireworks Back to Hinesburg's 4th of July

A group of Hinesburg citizens has united to bring back the fireworks to Hinesburg's 4th of July celebration. Fund raising events are being planned. The goal is to hire a professional company to purchase and store the fireworks according to federal Homeland Security regulations, then put on the show July 4th.

Here are some of the highlights—stay tuned for more information. In June 2005 there will be a golf tournament at Cedar Knoll Country Club. Also, the fireworks will feature personalized displays; for a \$10 to \$1000 donation, your loved one, special occasion, family name or even your pet can be mentioned in a 4th of July flier at the fireworks. That's right—we're "selling" fireworks. Details and a donation form will appear in the next edition of *The Hinesburg Record*.

—Kristen Wahner

SCHIP is Sailing

On behalf of the Trustees of Shelburne, Charlotte, Hinesburg Interfaith Projects, we want to thank the many who have made SCHIP'S Treasure, a new resale shop next to the Shelburne Town Center, a reality.

It has been remarkable to witness the great "wheel of giving" that has made this project possible. Volunteers continue to give precious time; donors have generously contributed start-up funds, operating supplies and services, and essential sale items such as clothing and household goods; customers are now supporting SCHIP'S Treasure by shopping.

Soon, we hope, profits from the project will be granted back to organizations that address special needs in the participating towns.

It is already a pleasure to experience community building through the teamwork of our three towns and their ten member faith communities: All Souls Interfaith Gathering, Ascension Lutheran, Charlotte Congregational, Hinesburg United, Our Lady of Mount Carmel Catholic, St. Catherine's of Siena, St. Jude's Catholic, Shelburne United Methodist, Trinity Episcopal, and Vermont Zen Center. Let's keep the "wheel" turning toward success. Thank you, one and all.

—Marilyn Neagley and Clark Hinsdale, Co-Conveners
(*The Hinesburg Record welcomes letters from local residents and from others who are involved in issues that affect our town. Letters should be brief. We do not have precise guidelines for length but do reserve the right to edit based on available space. All letters must be signed. To the extent possible, letters should focus on local issues. Other forums exist for discussion of statewide, national and international issues. With these cautions, please keep those letters rolling in! Mail them to either P.O. Box 304 or 327 Charlotte Road, Hinesburg, VT 05461, or send via email to therecord@gmail.net, or deliver to the Record Drop Box on Charlotte Road.*)

HINESBURG SELECT BOARD

Selectboard Activity August 16 – 30

By Jeanne Wilson, Town Administrator

Village Crosswalk Assessment

Resource System Group, Inc. (RSG) recently completed an assessment of existing and potential crosswalk locations in the village area. This project was funded by a grant from the Chittenden County Metropolitan Planning Organization. RSG presented the findings of the assessment at the August 30 meeting. Members of the community and the Selectboard provided RSG with comments and feedback on the report.

The assessment determined that the current location of the Route 116 crosswalk, just south of the Charlotte Road intersection, is the most suitable location for a crosswalk in this vicinity given the current intersection control and layout; however, improvements should be made to increase the safety of the crosswalk. The assessment also determined that the highest priority for sidewalk construction is to connect the sidewalk segments on the west side of Route 116, between the Town Hall and Saputo Foods.

A complete copy of the Hinesburg Village Crosswalk Assessment report can be found at the Town Administrator's Office or in PDF format on the Hinesburg website at www.hinesburg.org.

Approval of Zoning Administrator Appointment

Approximately forty residents appeared at the August 16 Selectboard meeting to provide input on the appointment of the Zoning Administrator. The Zoning Administrator is appointed by the Planning Commission for a three-year term, and the appointment must be approved by the Selectboard. At their July 21 meeting, the Planning Commission approved the reappointment of Peter Erb as Zoning Administrator.

Some residents spoke in favor of Peter's performance as Zoning Administrator, and some voiced their frustration at the permitting process and a potential conflict of interest between Peter's duties as Zoning Administrator and staff person to the Development Review Board. After hearing the commendations and concerns of the residents present, the Selectboard voted to approve the appointment of Peter Erb as Zoning Administrator for a three-year term, but also advised that the staff structure would be reviewed.

"To Pave or Not To Pave"

Texas Hill Road resident Deb Howard met with the Board on August 16 to discuss planning for road improvement projects. Deb had assisted last fall in conducting a private survey of Texas Hill Road residents regarding a proposed plan to pave a steep section of Texas Hill Road. She presented the survey results to the Selectboard in December, and at that time offered to assist in forming a committee which would gather data and information to aid the Selectboard in the decision making process regarding paving gravel roads. At the August 16 meeting, the Board discussed what type of information was helpful in making these decisions, such as maintenance costs and safety issues.

Improvements to Ballard's Corner Road

Carpenter Carse Library Trustee Katherine Kjelleren met with the Board on August 16 to discuss plans for maintenance improvements to Ballard's Corner Road. As a private road, the property owners, including the Carpenter Carse Library, are responsible for the maintenance and improvement costs. Before investing in road improvements, the Library Board

wanted to assess what the impacts of the proposed recreation path would have on the road. The Selectboard recommended just basic repairs at this time, such as filling pot holes, and aligning major road reconstruction with the installation of the recreation path.

Process for Zoning District Changes

Wayne Bissonette met with the Selectboard and members of the Planning Commission at the August 30 meeting to discuss his wish to have the zoning district changed for his parcel at the intersection of Route 116 and Shelburne Falls Road. The parcel is currently zoned for agricultural, and Wayne would like it re-zoned for commercial usage. The process for zoning changes was discussed, which begins with language in the Town Plan that allows for the zoning change. It was the consensus of the Selectboard that the proposed language for the new Town Plan allows for such a zoning change. Once the Town Plan is adopted, the Planning Commission will begin the process of reviewing zoning changes. The Selectboard requested that the Planning Commission consider the west side of Route 116, north of the village, the Commission's highest planning priority.

Routine Business

- Warrants for bills payable approved
- Minutes of July 19, August 2, 3 and 25 approved
- A Policy for Consideration of Acceptance of New Town Roads approved
- Road Cut Permits for LaClair on Hines Road, Hultgren on Hayden Hill Road East, Russell on Silver Street and Evanson on Buck Hill Road West approved
- Buried Utility Permit for LaClair on Hines Road approved
- Revisions to the Employee Personnel Policy discussed
- Selectboard Member Rob Bast designated as the Town's delegate to the VLCT annual business meeting
- Engagement letter for annual audit services with Fothergill, Segale and Valley signed
- Letter to VTrans requesting painting of crosswalk in front of Hinesburg Community School signed
- Drainage on Hayden Hill Road West discussed with members of the Francis family
- New Police Canine "Buck" introduced
- Improvements to the Vestry Building discussed
- Improvements to the Town Hall parcel discussed
- Apple Ridge Road approved as a new private road name
- A request to use the Town Hall for a CSSU Youth Football Fund Raiser approved
- Replacement of the Pond Brook Road culvert in preparation for future road paving discussed

THE PERMANENT SOLUTION

FEMA
(Continued from Front Page.)
There will be official notices in the paper and a public comment period, but I encourage anyone with questions to pay us a visit at the Town Office. We have the draft maps and can show you if your property is in or out of the flood hazard area. This has implications when a mortgage company decides whether or not to require you to purchase flood insurance.

Hinesburg – The Windy "City"

It has been a great pleasure to see the new NRG Systems facility completed. I'm sure the Blittersdorfs and all their employees are happy to be in such a new, state of the art facility. It's impressive how such a large building can be absorbed by the natural landscape when carefully sited and constructed on the right location. Furthermore, I always get a kick out of seeing the solar array track the sun over the course of the day. Clearly this is a feather in the hat for the Hinesburg community!

We were recently informed that NRG Systems has applied to the Vermont Public Service Board (PSB) to install a wind turbine on the top of the hill behind their new facility. According to the application, the tower will be approximately 97' high, and the rotor diameter will be 23'. The turbine will be capable of producing a peak power output of 10 kilowatts. This is compared to the 67 kilowatts produced by the solar panels on the NRG facility roof, awning, and tracking units around the pond.

The PSB is reviewing the proposal because it needs a "certificate of public good" as an interconnected net metered power system. Interconnected net metered power systems are those that can actually supply electricity back to the grid. NRG already received this approval for its solar generation. The PSB does take comments on these applications, and the comment period ends on October 13. For more information about the PSB process, contact them at 828-2358.

It's my understanding that the PSB review process effectively "trumps" any local level review of power providers. Therefore, I don't expect the Hinesburg Development Review Board or the Zoning Administrator to carry out a separate review process. With that in mind, contact either NRG Systems or the PSB for details.

A great lesson is a work of art.

Completing the Square
Given: $2x^2 + 10x - 39$

$2x^2 + 10x - 39 = 0$
 $2x^2 + 10x = 39$
 $2x^2 + 10x + 25 = 39 + 25$
 $(2x + 5)^2 = 64$
 $2x + 5 = \pm 8$
 $2x = -5 \pm 8$
 $x = \frac{-5 \pm 8}{2}$
 $x = \frac{3}{2} \text{ or } x = -\frac{13}{2}$

A square completed to show all equations of the form $ax^2 + bx + c = 0$

At the Lake Champlain Waldorf School we teach the whole child, cultivating complete individuals, head, heart and hands. We nurture their dreams and kindle the passion they need to pursue them.

Here, we teach rhyme and reason, form and function. As well as mastering the three R's, all of our students plant, paint, sing, sew and sculpt. They play in orchestra; they study two foreign languages (beginning in first grade). They analyze, philosophize and ultimately realize a world-view beyond borders and language barriers. And aesthetics and academics go hand-in-hand.

To learn more about the Lake Champlain Waldorf School, preschool through 12th grade, call (802)985-2827 or visit our website: www.lcwaldorf.org

OPEN HOUSE: Wednesday Oct. 13, 7:30PM

Bird Monitoring Walks

When: Friday, October 8; Saturday, November 13
Time: 7:00-9:00 a.m.

Where: GMAC Education Barn

Fee: Donations appreciated

Leader: Bridget Butler, Teacher/Naturalist

Appropriate for Adults

With the new recognition of the GMAC as an Important Bird Area, we'll be conducting monthly bird monitoring walks. We'll follow the same route each month around the Center as we identify, count and record bird species seen or heard. A great walk for novice and experienced birders alike.

Busy Beavers

When: Thursday, October 14

Time: 1:00-2:00 p.m.

Where: GMAC Education Barn

Fee: \$8/\$6 supporting member per parent child pair; \$2 each added child

Appropriate for children ages 3-5

Why do we call them busy beavers? Find out for yourself as we explore the Center's beaver ponds. Check out a beaver dam and put your teeth to the test!

Snow Geese at Dead Creek

When: Saturday, October 16

Time: 10:00 a.m.-2:00 p.m.

Appropriate for Adults and Families

Witness Vermont's premier wildlife spectacle! Mid-October is the peak time for migrating snow geese with the possibility of 15,000 to 20,000 individuals. Join Audubon Vermont and its chapters at Dead Creek Wildlife Management Area on Route 17 in Addison. We'll have information on the migration and conservation, as well as spotting scopes and binoculars. Free and open to all ages!

Getting Ready for Winter

When: Thursday, November 18

Time: 1:00-2:00 p.m.

Where: GMAC Education Barn

Fee: \$8/\$6 supporting member per parent child pair; \$2 each added child

Appropriate for children ages 3-5

How do animals survive the cold Vermont winter? We'll look at familiar animals to find out what they are doing to prepare for the cold months ahead.

Submitted by Hinesburg Community Police

South Burlington Woman Cited for Bad Checks

Hinesburg Community Police Officer Barbara Brisson has charged Kellie Y. Desrosiers, 38, of South Burlington with two counts of issuing bad checks to a local business in Hinesburg. It is alleged that Desrosiers wrote the two checks totaling over a one hundred and fifty dollars during the month of April. She will answer the charges at a later date in Criminal Court.

Assistance Nets DUI

Hinesburg Community police had a DUI arrest as a result of assisting Williston Police. On August 8, about 7:00 p.m., Officer Steve Gutierrez was assisting Williston Police with a domestic assault.

As he finished that complaint, he was asked to check an accident on Oak Hill Road. During the course of his investigation, he determined that the driver of the car that had run off the road, Michael Nathan, 21, of Essex, was intoxicated.

Nathan was transported to Fletcher Allen hospital by St. Michael's ambulance and treated. When released he was processed for DUI and cited for a later appearance in court.

Hinesburg Man Charged Following Pursuit

Travis Miner, 18, of Hinesburg was charged with attempting to elude a police officer and negligent operation, both criminal violations, following a short pursuit on August 17. Officer Steve Gutierrez observed Miner crossing into his lane as he approached Gutierrez's cruiser on North Road.

As Gutierrez made a U turn, Miner turned onto Beecher Hill Road with tires smoking and sped off. At the lower end of Beecher Hill he narrowly missed striking another motorist, lost control and skidded around striking an embankment. He then continued on and stopped before Vermont Route 116.

Once Miner stopped Gutierrez recognized him from a previous incident on October 31, 2004 where he had stopped him for driving 81 miles per hour on Baldwin Road, also a gravel road.

Three Injured in Tractor Trailer Crash

On August 20 three people were injured in an accident when a tractor trailer struck one car and pushed it into a second

on Route 116 near Place Road West. Officer Barbara Brisson reported that Holly Cota, 27, of Hinesburg, was waiting to make a left turn on Route 116. A tractor trailer driven by Raymond Cook, 64, of Bristol, was unable to stop and it struck the rear of a car driven by Mary McEwen, 44, of Williston. The impact pushed McEwen's car into the rear of Cota's car.

Cota and two passengers, Allana Berard and Dana Cota, none of whom was wearing a seatbelt, suffered minor injury. Holly and Dana Cota were transported to the hospital by Shelburne Rescue. All of the injured were treated at the scene by Hinesburg Fire Department.

Hinesburg Man Charged With Stealing Girl's Bike

On September 5, Hinesburg Community Police Officer Steve Gutierrez charged Steven Neale, 17, of Mountain View Trailer Park, Hinesburg, with Petit Larceny. It is alleged that Neale stole a bike from a residence on North Road on August 12. Neale will answer the charge in Criminal Court.

Of Kids and Cops

The relationship between teenagers and cops can sometimes be rocky, particularly when dealing with emotional issues. To a teenager there is nothing more emotional than the right to drive to school and where to park his or her car.

Conversely Hinesburg Police were not pleased when residents in the CVU High School area called and asked for officers, instead of parents, to respond to the school and spend the night monitoring students who were gathering to be first in line the following morning, August 31, for parking permits.

Chief Chris Morrell met first with students at CVU, a second time at CVU, then still later in the night when they relocated to Firehouse Plaza. Working with the students there, it was agreed that the place where they would have the least impact on neighbors was Geprage Park. During a final meeting in the park, Morrell asked the students to be mindful of their noise and to pick up any trash they brought to the park.

Morrell praised the students for their responsible and cooperative attitude, their care in not disturbing neighbors, and their making sure that there was no debris left in the park when they left. He described dealing with the students as positive. They displayed courtesy, understanding and an excellent civic attitude. While not subjects evaluated on scholastic aptitude tests, Morrell gave them all an A+.

Hinesburg Police Complete Harvest

September 14 saw Hinesburg Community Police taking a break from patrolling the highways and answering calls in Hinesburg. Based on a tip, officers headed into the jungle-like terrain along Lewis Creek between Baldwin Road and Silver Street. After a search, they located approximately \$40,000 to \$50,000 worth of marijuana plants. Following several hours of bushwhacking and wading the creek, the marijuana was harvested and destroyed.

Police advise residents in the Lewis Creek area to be alert for suspicious activity along the creek and at the entry and exit points.

Hinesburg Officer to Take Command Position

Hinesburg Community Police Officer Susan Albert has been hired by the town of Brandon to take the Lieutenant's position in their police department. Albert will assist in the rebuilding of the department that is presently taking place.

Albert has worked for the Hinesburg Community Police as a part time patrol officer. She has previous experience with the Vermont State Police as Trooper and Shelburne

Police as a patrol officer.

Ready for Winter?

If you have been thinking about putting your Corvette or Miata up for the season and are looking around for that Vermont tradition, a "Winterbeater," Hinesburg Community Police have a deal for you.

With the addition of a new Jeep, police have retired their first four wheel drive cruiser, a 1998 Jeep Cherokee. The car has been on patrol since then and has 140,000 miles on it, but it has been meticulously maintained. This car, while Spartan in amenities, is equipped with a fleet police package.

It is presently parked in front of the fire station. It will be sold by sealed bid and anyone interested is encouraged to submit a bid to the police department at P.O. Box 1, Hinesburg. Mark the outside of the envelope POLICE CAR BID.

The bids will be opened at the Select Board meeting on Monday, October 4.

Safety Tip – Stomp and Steer

It seems strange, many of us have switched from cars without ABS brakes to cars with them, yet we have never received any instruction on how to make them work effectively for us.

Many people still use the old techniques of pumping the brakes or threshold braking and never benefit from the ABS.

With ABS if you apply the brakes lightly and one wheel is on a slippery surface, you will feel the ABS kick in on that wheel. Unfortunately, because you are only applying light pedal pressure, you are not providing good braking with the wheels that are on a dry surface.

To achieve full braking potential, stomp hard on the brakes and steer around any obstruction. Not only do ABS brakes provide superior stopping power in most situations, they also allow you to control your car and steer through emergency situations after you begin braking hard.

HINESBURG RECREATION DEPARTMENT NEWS

By Beth Sengle

Greetings from the Recreation Office. It has been a beautiful week for the start of Youth Soccer. Kids and coaches have turned out and the fields are full. Thank you to the many volunteers who make our program run so well!

On a personal note, I will be leaving my position as Recreation Director in the coming month to pursue a new opportunity. I have loved serving the members of this community and will miss seeing many of you at Town Hall. BUT, I'll still be in the village (just around the corner).

I have had the privilege to work with a wonderful Recreation Commission over the past three years and outstanding colleagues at Town Hall. If Hinesburg were not my home, this would be a much sadder change. The friendships this dynamic job has afforded me will remain an important part of my life. Thank you all so much for your support. Please be patient with the transition period. Systems are in place to assure as smooth a transition as possible...but details, details! One change we will make is to better serve the kids is in Youth Basketball.

Youth Basketball

The Recreation Commission has decided to push back our starting date for youth Basketball. Hinesburg has started their season a month (and in some cases two months) earlier than other towns. Youth Basketball, held in the Hinesburg Community Gym will begin Saturday, December 4. To avoid a \$10 late fee, please register children between the ages of kindergarten and sixth grade by November 10.

Children are grouped according to school grade not age or ability:

- Kindergarten-Grade 1 (all): Saturdays 9:00-9:45 a.m.
- Grade 2 (all): Saturdays 10:00-11:00 a.m.
- Grades 3-4 (girls): Saturdays 11:15 a.m.-12:30 p.m. and Mondays 6:30-8:00 p.m.
- Grades 3-4 (boys): Saturdays 12:45-2:00 p.m. and Wednesdays 6:30-8:00 p.m.
- Grades 5-6 (girls): Saturdays 3:45-5:00 p.m. and Thursdays 6:30-8:00 p.m.
- Grades 5-6 (boys): Saturdays 2:15-3:30 p.m. and Tuesdays 6:30-8:00pm

DATES: December 4 - January 22, 2005 (K-2)

December 4 - February 12, 2005 (3-6)

FEE: \$15.00 (includes t-shirt) \$10.00 without shirt.

We will have the same navy blue basketball shirt as last year, so you can reuse the one you have or a hand me down. Please specify on the registration form if you DO NOT want a new shirt. Thanks.

We Deliver

Free delivery of materials is available to Hinesburg residents who find travel or physical access to the library building difficult. Books and tapes are also circulated to Seniors on the third Friday of each month at the Senior Meal Site in the Osborne Hall behind the United Church.

Trustee Meetings

The Carpenter-Carse Library's Board of Trustees meet at the library at 7:00 p.m. on the fourth Wednesday of every month; exceptions to this schedule are posted in advance at the Hinesburg Post Office and at the Town Clerk's Office. Meetings are open to the public.

Book Discussion Groups

Avid readers may join our library's book discussion group which meets monthly. The October 4 selection is *Under the Banner of Heaven* by Jon Krakauer.

The October 25 featured book is *Devil in the White City* by Erik Larson. To prepare for the November meeting, readers will want to read *Forever* by Pete Hamill. Meetings are held at 7:30 p.m. in readers' homes. Please call Earla Sue McNaul at

482-3347 for information on meeting locations.

Storytime News

Toddler storytimes (up to 3 years of age) are held at 9:00 a.m. on the first and third Tuesdays of the month, October 5 and 19. Walk-ins are welcome.

Fall Events

Wednesdays, September 22 through October 27, 7:00-9:00 p.m. Journaling Class with Shirley Murray. Are you curious? Please join us for a unique opportunity to experience the pleasures and rewards of journaling with a very special guide. Pre-registration requested. Call 482-2878.

Thursday, October 14, 5:00-6:30 p.m. YA Book Buying Group. Review, discuss and select "teen" books for the Library's Young Adult collection. Contact Janet, 482-2878 or email janetsoutiere@yahoo.com.

Friday, October 22, 7:00-8:00 pm. Musical Event with Rik Palieri and Wilfried Mengs. Rik lives in Hinesburg and has recorded six CD's and has just published his first book, *The Road is My Mistress, Tales of a Roustabout Songster*, now available at the library. He hosts a television show on the local VCam station called The Song Writer's Notebook. Wilfried Mengs, a lyricist from Germany, has been converting his poems into songs and sharing them with the public since 1994. His songs show energetic arrangements of elation and musical craft. Wilfred has composed several musicals for children, including *Balloon Adventures*, which can be found on CD at the library. Rik and Wilfred's combined success is sure to entertain all family members. Pre-registration requested. Call 482-2878.

Saturday, October 23, 3:00-4:30 p.m. Harvest Story and Craft for ages seven and up. Listen to *Dragonfly's Tale* by Kristina Rodanas. Book summary: After a poor harvest, two children regain the Corn Maidens' blessing for their people

with the aid of a cornstalk toy, the dragonfly.

After the story, we will have a snack and create cornhusk dolls, a tradition set by the Native Americans since the beginning of corn agriculture over a thousand years ago. Pre-registration requested. Call 482-2878.

October through November. Fine Art Photography Exhibit. Stop by our Community Room and view these wonderful examples of Hinesburg talent by local artist William Stirewalt. Pictures will be available for purchase just in time for the holiday season! A fall reception at the library is being planned.

Tuesday, November 9 at 7:00 p.m. Snapshots of Hinesburg Open House. Young and old are welcome to join us for a lively evening of local history and stories about our town way back when. Local historian Louise Roomet and Suzanne Richard will guide us through the years and help us learn more about our neighbors, past and present. Snapshots of the library's Vermont History collection will be displayed along with the Hinesburg quilt panels. Come celebrate our town's rich history with us, and bring your own stories and questions to share! This free program is funded by a grant from the Vermont Public Library Foundation funded by the Freeman Foundation.

Grant News

Recently our library received a Year III VPLF Incentive Grant in the sum of \$20,698. Four projects are made possible by the Vermont Public Library Foundation funded by the Freeman Foundation. There are plans for the construction of an indoor vestibule at the library's front entrance. The vestibule will add comfort to patrons and staff while lowering energy costs. We are pleased to announce that local design/build company, MACG Inc. will carry out the project this fall.

A second project encourages literacy through a series of multiage programs with the theme, One Town, Many Stories. Many of this summer's program offerings were funded by the grant: Ernie Hemingway's popular Backpack Theater, musician and storyteller Will Danforth's captivating Telling Tails stories, Marko's superb magic show on a reading theme, and the foot-stomping fun entertainment of Matthew Witten & the Swing Peepers.

Adult Services Librarian Jane Racer and Youth Services Librarian Janet Soutiere have done a great job planning programs for 2004-05. Some of the grant-funded programs feature storytelling and stories. In December, Sam Moffatt and Cynthia Payne-Meyer's Winter Solstice evening will include heartfelt multicultural stories and beautiful music. A thirst for local history programs will be addressed with the following plans: "Snapshots of Hinesburg" Open House, the creation of a map of sheep farms in Hinesburg's past constructed to

compliment the map of past dairy farms, and in the spring, a fun and challenging Quest project led by Suzanne Richard. Single topic programs planned for the season include: The Morgan Horse, Quebecois, a French musical event featuring Sam Moffatt, and more. Two special programs in this category took place earlier this year: Vermont author/photographer Kate Carter's informative Wildflower Walk at Geprags and entomologist Gordon Nielson's insect presentation and exhibit of his impressive collection of insect specimens.

In next month's issue we will share plans and details for two other uses of grant money to further develop the library's large print and audio-visual collections. There are also plans to use grant funds to support young adult services at CCL.

Telling Tails All Through the Summer

By Janet Soutiere, Youth Services Librarian

Congratulations to the 92 participants in the Telling Tails Summer Reading Program at the Carpenter-Carse Library. The Summer Reading Program (SRP) is designed to encourage reading throughout the summer and is co-sponsored by the Vermont Department of Libraries. Children signed up at the library beginning June 18 and received a reading log, bookmark, and a sticker. They also set a personal goal for their reading adventures. Given only a few real beach days this summer, children obviously opted for quality, quiet reading time. By August 31, children read approximately 2,000 books.

Our SRP had an additional component. We hosted an active six-week reading club. This well-attended program gave children a chance to be together on Wednesday mornings in an almost-like school atmosphere. Generally, the first item on our agenda was reading. When the story was completed, we gave the book away to a lucky winner in a drawing. Many arts and craft projects were undeniably fun as we connected them to the SRP theme. Some of our creations on the pet theme were cat toys, dog bone picture frames and a fish globe. We were truly captivated by Ellen Foster from the Hinesburg Community Center the day she gave a special talk on the care and feeding of pets. Laney Rappaport, a.k.a. the "Frog Lady", Will Danforth, singer/storyteller, and Mia Phar, Fleming Museum presenter of "Wild Things" were awesome as they taught and entertained us as well.

Much praise was given when a colorful reading of certificates signed by Governor Douglas were hand-delivered to the children at the Hinesburg Community School. A few remaining certificates are at the library and can be picked up during library hours.

I wish to say thank you to the Hinesburg Business Professional Association for the \$100 contribution to our summer program, to Rhino Foods for the dozens of cookies, and to the parents who contributed time and snacks.

A special thanks goes to two students, Melissa Henson and Aaron Miller for their help in coordinating activities during the reading clubs.

We had tons of fun! Happy reading to all; I look forward to the Summer Reading Program 2005.

General School News

By Donna Hale, Principal

School Board Recorder Needed

We wish to thank Phil Pouech for being our recorder for the past two years. Unfortunately, Phil has resigned from this role. If you are interested in becoming a recorder for the School Board, please contact Donna Hale at 482-2106. The School Board meets usually on the second and fourth Tuesdays of the month, from 6:00 to 9:00 p.m. in the Wainer Learning Center.

Supportive Classroom

The school is implementing the Supportive Classroom curriculum in all grades and settings this year. This program provides a coordinated approach to teaching the core concepts of trust, belonging, respect, sharing and responsibility.

Tim Fox, local resident and Research Associate in the Education Department at UVM, is offering a course at the school this fall. It is being sponsored in part through a federal grant awarded to the State Department of Education to promote safe, civil and orderly learning environments in Vermont schools. We are pleased to be a part of the grant and appreciate the support from Tim Fox.

Annual Emergency Re-location Drill

Hinesburg Community School will be practicing our emergency re-location drill sometime during the first part of October. Unfortunately, the drill requires us to block traffic twice for relatively short periods of time. We will post signs letting people know it is an emergency drill. Thanks for your understanding and patience!

It is an important drill to practice so that in the event of an emergency at the school, all staff and students can move to a safe alternate location. HCS uses Saint Jude's Church, the United Church, and the Town Hall as alternate locations. We do thank and appreciate the community for their support.

Student Council

The HCS 5/6 and 7/8 Student Council Groups will start their meetings the last week of September or the first part of October. Mrs. Angela Stebbins and Mr. Steve Hyde are the 5/6 and 7/8 Student Council advisors. Student Council members will be chosen by Team.

Council members are role models, ambassadors, and communicators for their teams and classmates. The Student Council is an opportunity for students to learn and exercise their leadership skills.

HCS Library/Media Center

The Hinesburg Community School Library is open to the public on Mondays from 2:30 until 8:30 p.m. All members of the community are welcome to stop in to use the book collections, computers, or simply to have a quiet place to read or work.

Yvonne Epstein is the Monday night and summer librarian. For questions call 482-6288.

Scholastic Book Fair

The PTO will be sponsoring the Scholastic Book Fair again this year. This is a great opportunity to stock up on your favorite books and do some holiday shopping. The Fair will be held in the Wainer Learning Center from November 16 through 19. Volunteers will be needed to work at this event. Please Call Sylvia Geiger at 482-3939 for questions or to volunteer. Search for New Principal

By Brian O'Regan,
Superintendent of Schools, CSSU

Volunteers Needed

The Board of Directors of the Hinesburg Community School (HCS) are seeking volunteers to serve on a Principal Search Advisory Committee.

Donna Hale, Principal of HCS since 1998, announced her planned retirement effective at the close of the current school year. The Board has established a tentative schedule that will include an advisory Committee comprised of Board members, parents, faculty, support staff, and administrative staff from the Chittenden South Supervisory Union.

The Committee is scheduled to meet on the following dates:

- November 15, 3:00 p.m. - Organizational Meeting
- November 29, 3:00 p.m. - Screening of Candidates
- December 6, Daytime Interviews of Candidates
- December 10, Daytime Interviews of Candidates

The Board is interested in having two parents be part of the Committee who are able to commit to the above schedule, have time to review applications, and offer a balance to the overall make-up of the Committee. Interested parents are requested to submit a letter of interest and reasons for wanting to be a part of the process by Friday, October 8 to Board Chairperson, Jim Gelber, c/o Hinesburg Community School, 10888 Route 116, Hinesburg, VT 05461.

The Board has tentatively scheduled February 8, 2005 as the date when the new principal appointment will be made.

Supportive Classroom Presentation and PTO Meeting

On the evening of October 25, the PTO will have a brief business meeting at 6:30 p.m. in the Wainer Learning Center. Immediately following will be a presentation on the Supportive Classroom Program that is being implemented at HCS this year. Dr. Jennifer Prue, co-author of the Supportive Classroom, UVM professor and Hinesburg resident, will be presenting. Please come to join us for this informative evening.

Hinesburg Children Need Mentors

A 6-year-old boy and an 11-year-old girl in Hinesburg are waiting to be matched with caring adult friends. These children, who are on the Community Friends Mentoring waiting list, want to spend more time outside the home and have fun exploring the community with positive role models. This young boy enjoys biking, fishing, and building models. This young girl enjoys swimming, playing games, and being outside.

Share these types of activities and make a difference in a child's life. Please call 651-7064, or email kristenhw@howardcenter.org. Community Friends Mentoring is a program of the Baird Center, a division of the Howard Center.

Enrichment Literature Groups WANTED:

Adult volunteers from the community to share their love of great books, with small groups of advanced readers at Hinesburg Community School.

All it takes is 45 minutes during the school day, once a week, scheduled at your convenience. We offer guidance on book selection, book discussion questions, and support to volunteers.

Our goal is to start the program in October. A 45-minute training session will be held for volunteers.

To volunteer or ask questions, please contact Betsy Knox, Literacy Coordinator for HCS at 482-2106 ext. 151, or Michelle Keller at 482-6490. Thank You!

An enthusiastic group of eager readers is waiting for you to share your love of book discussions.

Family Math Playtime

For 3 & 4 year olds and their
Parents/Guardians

Come explore activities and play games together which create building blocks for mathematical thinking!

October 25, 2004 • 6:30 – 7:30 p.m.
Hinesburg Community School Cafeteria

Come Join Us for an Hour of FUN!!

For more information, contact: Audrey Walsh, Early Education Coordinator 482-2016, or Nancy Pollack, Math Coordinator, 482-6260 ext. 151.

Scholastic Book Fair

The PTO will be sponsoring the Scholastic Book Fair again this year. This is a great opportunity to stock up on your favorite books and do some holiday shopping. The Fair will be held in the Wainer Learning Center from November 16 through 19. Volunteers will be needed to work at this event. Please Call Sylvia Geiger at 482-3939 for questions or to volunteer.

- 5: End of Quarter 1

CVU Soccer

By Matt Dattilio

CVU is known for putting together a championship caliber varsity soccer team every year. This year will be no different. Captains Todd Shepardson and Ross Stirewalt lead a very explosive team.

The returning players from Hinesburg include Captains Stirewalt and Shepardson, Rem Kielman, Nick Mead and Jefferson Parker. Other varsity players include Alex Slauson, Reed Carr, Ethan Morrow, Brad Carlson, Luke Grover, Zach Sundby, Eli Gerson, Robin Pierce, Tyler Clavelle, Vasilis Varsakopoulos, and Hugh Kirkpatrick.

CVU came out primed in their first game of the year. Emotions were running high traveling to St. Albans to play BFA. Last season the Crusaders and Bobwhites played to a 1-1 tie in the Vermont Division I championship. Apparently the early season nerves didn't affect CVU as they rolled to a 4-0

win. Hinesburg's Rem Kielman scored a goal as well as playing effectively at sweeper. Three other goals were scored by Mark Sienko, Ian Dudley and Ashley Miller. Scott McLoughlin had thirteen saves in goal. "We played well as a team. We controlled the game but we could have played better defense," Shepardson said.

However in the second game of the season that explosiveness might have been lacking. CVU traveled to Mt. Mansfield to play their second game this season. The heavily favored Crusaders tied with the Cougars of MMU 1-1. The one goal belonging to mid-fielder Todd Shepardson. The goal was Shepardson's first of 2004. Andrew Lane had seven saves in goal including a game saver in overtime.

On Saturday, September 11, CVU came out with vengeance. With Shepardson scoring two goals, the Crusaders led 2-1 at the half. CVU struck early and often, scoring six goals in the second half to defeat Mt. Abe 8-2. Ashley Miller matched Shepardson's two goals while Nick Mead, Jefferson Parker, Gardner Morrow and freshman Tyler Macnee each added a single goal.

(Note: Matt Dattilio is a guest columnist for The Hinesburg Record, in support of CVU Graduation Challenge.)

CVU Crusader Football

By Diane Terry

We are very proud of the fact that CVU football is going strong for the second season! Over 55 CVU athletes signed up and started practicing Monday-Friday, 5:00 p.m.- 7:00 p.m. at Wainer's Field in Hinesburg.

They won their first JV game of the season 26-6 against South Burlington. Check out our e-mail at cvufootball.org for information on games, schedules, contacts and fund-raising information. Come join us for an exciting football game!

Adolescent

The Chittenden South Supervisory Union is interested in locating all school age children/adolescents with disabilities living in the towns of Charlotte, Hinesburg, Shelburne, St. George and Williston, who are not currently attending school, are attending a private school by parent choice or are being home-schooled. If you know of such a child/adolescent, please call Zelda Zeleski, Associate Superintendent of the Chittenden South Supervisory Union at 383-1234.

CY Hires New Peer Prevention Educator for Chittenden South

By Dayna Scott

Through a "Drug-Free Communities Support Program" grant from the U.S. Department of Justice, CY—Connecting Youth recently hired Vince Guy as its new full-time "Peer Prevention Educator."

VINCE GUY

A native of Philadelphia with an affinity for bad puns, Vince has been working with youth for over ten years as an educator, trainer, and prevention specialist. He has worked with numerous outdoor education programs, Americorps, the Boys and Girls Clubs and the YMCA. On board since July, Vince replaces Marta Koonz who is now in the process of relocating to Connecticut. As the new school year begins, Vince will be busy in all of Chittenden South's K-8 buildings and at CVU High School coordinating fun, drug-free educational activities for students! Look for news about CY LEAD (Leadership Education the Anti-Drug), Wild LEAD outdoor adventures, Fusion Dance and the See Why Improv Troupe at www.seewhy.info.

"Parenting for Success: Dealing with the Tough Issues" Course Offered by CY

Back by popular demand, CY—Connecting Youth will offer a FREE five-week program to help you polish your parenting skills and learn how to face some of the more challenging issues such as drug use, relationships, curfew, etc.

This nationally-recognized program is geared toward parents of fifth through tenth graders and covers how to:

- strengthen family bonds;
- improve communication with your child;
- set clear expectations and guidelines;
- express and control anger in healthy ways; and
- increase your child's participation in the family.

Two trained and experienced facilitators will lead the course, which will be taught in two-hour sessions, offered once a week for five weeks. The course will be offered in the evenings beginning the second week in October and ending by mid-November. Depending on the level of interest, we will offer the course in Hinesburg, Shelburne and Williston on different days. The course is FREE, but there is a \$20 refundable deposit required to guarantee your space. As part of the course, you will receive a Family Activity Book that you can keep. Registration is required and space is limited to 15 parents per course.

For more details, or to sign up for the course, please call Dayna Scott at 383-1211 or e-mail dayna@cssu.org. More information can also be found on the CY website.

CY and You – a Great Team

Mentoring is fun, easy, and most of all, important. Originally piloted at Williston Central School, the program is expanding this year to serve Charlotte, Hinesburg, and Shelburne youth. The Connecting Youth Mentoring Program helps support fifth through eighth grade students in achieving their potential through close, personal relationships with caring adults in the community.

Adults volunteer to spend one hour per week with their student at school, participating in activities together such as games, arts and crafts, sports, cooking, and conversation. Mentoring matches are voluntary, made with the support of young people's parents and teachers. There is a careful screening process, and all mentors receive ongoing training from CY and school staff.

Here's what some people are saying about mentoring:

"A lot of credit for my daughter's self-esteem, I believe, goes to her mentor who is always happy to see her, never gets mad at her, is always interested in what she has to say and what she is feeling. If only we all had someone like that in our lives!" observed one Chittenden South parent.

"Many students need to feel good about school and this opportunity gives them a place where they can find success and feel comfortable within the school system," said a Chittenden South teacher.

Research from across the country shows that mentoring can give young people the building blocks they need to make healthy choices and become happy, successful adults. Proven benefits from mentoring relationships include enhanced self-confidence, improved attendance and academic performance in school, and prevention of substance use and violence.

Become a CY mentor and help enrich a child's life—as well as your own—today! For more information or to volunteer your time, call Nancy Carlson at 879-5874 or e-mail CarlsonN@wsdvt.org. You can also get more information about mentoring at www.seewhy.info.

Hinesburg Nursery School — New Kids, Same Great Mission

By Deirdre Gladstone

Hinesburg Nursery School has opened for its 32nd year! We are a non-profit, parent cooperative preschool located in the basement of the Masonic Temple. Twenty-five three to five year olds—our future teachers, farmers, chefs and governors—are practicing the arts of cooperation, sharing and many other important life skills every morning. Teachers Yvonne Epstein and Natalie Miller are professional early childhood educators, who have been with the school for many years and have nurtured several hundred of Hinesburg's finest through their program. There are still openings and if you are interested in learning more please contact Patti Drew at 482-5354.

Being a cooperative means parents give an extra bit of their time and work with the teachers to make decisions about the administration of the school. Fundraising is an important part of parent responsibilities. We hold several events throughout the school year to raise money to help the school. By the time you read this we will have held our annual tag sale.

On Sunday, October 10 we will be hosting a Calcutta at The Old Shed in Shelburne. A ticket to this event buys you food, fun and a chance for fortune. Besides chances to win several prizes throughout the afternoon you could win the jackpot of \$2,000! For more information or tickets please contact Janice Provost at 482-5862 or see the ad in this paper.

We're off to a great start and hope to see our friends and neighbors often throughout the year.

Hinesburg Friends of Families Fall Update

By Stephanie Murray

Playgroups

Hinesburg community playgroup will be meeting on every Wednesday, from 10:00 a.m. to 11:30 a.m. at the Town Hall. Children ages birth to six accompanied by an adult are welcome! Come join us in a large toy filled space, including a craft area, circle time, light snack and lots of laughs. This is a great place to meet new friends and neighbors. This playgroup is FREE and follows the HCS calendar. See you on Wednesdays!

Nurturing Parent Program

This is a 14 week program, meeting once a week starting the last week of October. This family program is geared toward families with school aged children. This will be our tenth year providing this program.

The weekly format includes: group gatherings (a parent group, an older kid's group, and a childcare group), family style dinner, and ends with another group session. This program is offered FREE of charge! Pre-registration is required. Please contact Stephanie Murray at 453-3038 for more information.

Vermonters Offered Rare Opportunity to Become Masons In One Day

Applicants for membership in Vermont's eighty-nine Masonic Lodges in towns across the state are being offered the opportunity to join the well-known fraternity in one day, a process that normally requires three months. The event will be held on November 6 in Barre at Granite Lodge No. 35.

There is a special and realistic explanation for this process of taking in members. During the one-day class of intensive instruction, candidates whose professional status or employment obligations do not allow enough time for the normal minimum of three consecutive monthly lodge meetings, will be able to join the Freemasons in one day. Similar one-day classes in 2001 and 2002 were historic events in the over 200-year history of Freemasonry in Vermont. More than 100 new members were added to the state roster in each of these special classes. The fraternity currently lists more than eight thousand Vermont members.

The Freemasons are now welcoming applications from all Vermont men of good ethical character of at least 18 years of age. Membership applications list only one requirement of prospective members which is a statement of a belief in a deity, one God. Freemasons welcome members from all walks of life and almost every religious persuasion. The Fraternity is not religious or politically oriented.

Masonry is the world's oldest and largest fraternity. Historically Freemasonry offers its members a peer group (the lodge) within which each man can work to improve himself.

The fraternity has a rich heritage which is widely known for its many philanthropies carried on by various branches of the membership. Just a few of these worthy projects include: the Freemasons Vermont CARE Program to combat substance abuse in our school systems, The new Scottish Rite Vermont Learning Center for Dyslexic Children located in Hinesburg, and the many hospitals offering free treatment of children funded by Shriner Masons.

For further information prospective applicants are urged to visit the Freemasons Online at vtfreemasons.org or to call 1-800-479-3975.

Cub Scouts – Pack 691

By Ed Matthews

Hinesburg Cub Scout Pack 691 held its annual Roundup for new scouts to join the organization on Thursday, September 16. Eight new scouts and their families have joined Pack 691 for what promises to be a year of fun, growth and learning.

Some of our fall events will include a Pack Campfire and an event we are anxiously looking forward to: our Second Annual Rocket Launch. Each scout is provided a rocket kit to be assembled with the assistance of a parent or other adult partner. On October 17, the skies of Hinesburg will be filled with the work of the boys as we launch the rockets into the wild blue yonder.

If you missed the Roundup membership meeting and are interested in having your boy join scouts, it's never too late. Cub Scouts is open to boys from first to fifth grades and they can join at any time. Contact Roger Giroux at 482-3212, or Ed Matthews at 482-3343 for information on the scouting program.

Vermont Girl Scout Art, Creative Writing and Photography for Girls Grades 6-8

How do girls see the world? *Girls Eye View* sponsored by the Girl Scout Council of Vermont is a special program designed to give girls in grades 6-8 the opportunity to express their views through art, photography, and creative writing. An information kick-off event will be held on Thursday, October 7 from 7:00-8:30 p.m. at the Holiday Inn on Williston Road in South Burlington.

"Join the Fun!" Through *Girls Eye View* girls meet and talk about the topics and issues that are important to them – friendships, teasing, body image, art, music, etc. – with college-age women mentors who know what it's like to be a teen today. Girls then have the opportunity to express themselves visually and through creative writing and photography. Cameras, film, art supplies, and snacks are provided. A public exhibit of girls' works will be held in May 2005!

Girls Eye View is a year-long girls-only experience, meeting twice a month for about 2 hours. Cost is only \$25 for the whole experience and includes the annual Girl Scout/STUDIO 2B membership fee. Financial assistance is available.

For more information or to register, contact Program Coordinator Jessica McCloud or Director of Membership and Program Tracy True at the Girl Scout Council of Vermont: (802) 878-7131 ext. 121, e-mail jmcccloud@uvm.edu or true@girlscoutsvt.org. You do not need to register for the kick-off event.

GizmoGirls Engineering Program for Grades 6-8

By Tracy True

Are math and science for girls? Absolutely. Perhaps you know a girl who enjoys math and science and would love to explore engineering? Or, maybe there is a girl you know who loves tinkering, creating, and testing her mind. Why not encourage her to check out GizmoGirls sponsored by the Girl Scout Council of Vermont?

"Join the Fun!" GizmoGirls is a year-long engineering program for girls in sixth through eighth grade. Girls get to work with engineering professionals and students to build solar model cars and explore other engineering concepts through hands-on activities. GizmoGirls also features a variety of adventures including tours, explorations of cool websites, and a year-end cooperative engineering competition with other GizmoGirl teams sponsored by Vermont Junior Solar Sprint. Throughout the year girls will spend time with college students talking about the issues important to teen girls today and the challenges of being a girl interested in science and math. Participants will also meet and work with women engineers who are successful in their field.

Tire & Appliance Round Up

Saturday, October 16th from 8:00 - 3:30

WHAT: Major appliances including stoves, washers, air conditioners, and refrigerators (remove latch type doors). TVs accepted for a fee.

PLUS up to 4" car tires (19" or smaller). **No rims.**

*8 tires accepted at Williston.

NAMES In The NEWS

By June Giroux

Red Cross Blood Donations

Summer may be over but the effects from this year's unprecedented summer blood shortage remain. While blood supplies are starting to recover, blood products have a limited shelf life and cannot be stockpiled. Red blood cells last 42 days and platelets, which often help support the treatment of cancer patients, can only be transfused for five days after donation. Blood donors are needed every day to keep hospital inventories at safe levels while maintaining enough to cover a major emergency.

The Northern Vermont Chapter of the American Red Cross (ARC) welcomes blood donations at the collection center located at 32 North Prospect Street in Burlington. To be eligible to give blood, potential donors must be at least 17 years of age, weigh over 110 pounds, and be in good health. Most medications are acceptable and there is no longer an upper age limit.

Donors' hours are Monday and Friday, 7:30 a.m. to 1:00 p.m.; Tuesdays, Wednesdays, and Thursdays, 10:00 a.m. to 7:00 p.m.; and the first and second Saturday of every month from 8:30 a.m. to 12:00 noon. Donors may call 658-6400 or log on to www.newenglandblood.org to make appointments or for more information.

Following are the names of donors in the Hinesburg area who have received their gallon pins from the American Red Cross Blood Services, New England Region recently: Douglas Olufsen, 67 gallons.

Off The Record

The seventeenth annual "Envisioned in a Pastoral Setting" Art Exhibition and Sale will take place in the historic Coach Barn

at Shelburne Farms until October 17. The event features the works of artists from New England and other states and including Hinesburg artists Miriam Adams and Brian Hunter. Works are in pastel, watercolor, oil, wood, bronze, fabric, ceramic, and photography. The exhibition is open from 10:00 a.m. to 5:00 p.m. Admission is \$5.00, free for members of Shelburne Farms. Tickets are available at the Shelburne Farms Welcome Center.

The delicious **Fall community dinners** begin with the first signs of Fall. Support the various organizations as they raise funds and provide us the opportunity to meet and eat. The Essex Junction 4th Degree Knights of Columbus will hold a spaghetti dinner on Saturday, October 16 at the Holy Family Parish Hall on Route 2A in Essex Junction. Seating starts at 5:30 p.m.; tickets are \$6.00 for adults, \$2.00 for those under 12. Takeouts are available. For tickets or reservations, call Daniel Tylanda at 879-6012. The event benefits the K of C Scholarship Funds.

On Saturday, October 9, starting at 9:00 a.m. and Sunday October 10 starting at 10:00 a.m., the Friends of the Pierson Library will hold their 49th annual **Book Sale** at the Town Center on Route 7 in Shelburne. Thousands of books will be available for all ages and also include videos, audio books, and puzzles.

The September/October issue of Northern New England Journey, a magazine published by AAA Travel, showcases the **town of Bristol**. It gives the reader a short history of the town, sites and stores to visit and places to eat. A good read.

Richmond Farmer's Market will hold "**Christmas in October**" at the **Richmond Farmers' Market** on Volunteers Green on October 8 and 15. Offerings include soaps, scarves, quilts, rugs, crafts, prepared foods, fall bounties, and comfort food such as breads, pies, cookies, pastas and hot drinks. The Market is open from 3:00 to 6:00 p.m. For information on the Farmers' Market, call Carol Mader at 434 5273.

Remember sending to **Pueblo, Colorado** for all of those free government bulletins? They are still available. To receive a free copy of the Consumer Information Catalog, write to: U.S. General Services Administration, Federal Citizen Information Center, 1800 F Street N.W., Room G-142, Washington, D.C. 20277-2710 or e-mail www.pueblo.gsa.gov.

Literary Journal Seeks Vermont Writers

The Northern New England Review, the literary journal seated at Franklin Pierce College, is beginning its 27th year.

The Editors are seeking submissions of poetry, short fiction, creative nonfiction and essays from area writers.

A panel of readers began considering submissions in September and authors will be informed by early December whether their works have been selected for the 2005 edition, which will come off the presses later that same month.

The final deadline for consideration is October 31. Submissions should be sent to: The Northern New England Review, Edgewood Humanities, Franklin Pierce College, Rindge, NH 03461.

A maximum of five previously unpublished poems, or two short stories or essays of up to 1,250 words, may be submitted. The only requirements are that writers live in Maine, Vermont, or New Hampshire and that their work is submitted typed or word-processed in a clear manuscript form. Maximum length for short stories and essays is 1,250 words. Although we regret that submissions are not returnable, we urge writers to include a short biography with their contributions.

Fall Events

Home Composter Course

Composting is a practical, convenient and inexpensive way to turn yard trimmings and food scraps into a valuable soil amendment. Composting is easier and cheaper than bagging and carrying these wastes to the landfill. By using compost, gardeners are recycling organic matter from plants back to the soil in a useable form. If you have a garden, lawn, trees or house plants, you have a use for compost!

An in-depth course on backyard composting is being offered this fall to Vermont gardeners. UVM faculty and professionals within Vermont's compost industry will teach the four classes and one hands-on Saturday workshop. Classes will be offered statewide at Vermont Interactive Television studios on Thursdays, October 21 through November 11, from 6:00-9:00 p.m.

Sign up now to avoid disappointment! Tuition is \$75 for four classes plus a hands-on workshop. Students receive a course guide and additional materials. Contact: UVM Extension at 1-800-639-2230 or master.gardener@uvm.edu.

State's Second Annual Giant Pumpkin Weigh-Off, Hayrides and More

Gardener's Supply is hosting their Second Annual Great Pumpkin Festival on Saturday, October 9 from 10:00 a.m. to 3:00 p.m. The event will be held at the Intervale, off Riverside Avenue in Burlington. It is free and open to the public.

At the Great Pumpkin Festival, there will be:

- Vermont's Second Annual Giant Pumpkin Weigh-Off – several contenders will be more than 1,000 pounds!
- Pumpkin painting
- Scarecrow making
- Hayride tours through the Intervale
- Farm animals from Shelburne Farms
- Food and beverages

There is no fee for the scarecrow materials but there is a nominal charge if you decide to buy a pumpkin to paint.

22nd Annual Stowe Foliage Art and Craft Festival October 8-10

Craftproducers presents the 22nd Stowe Art and Craft Festival Vermont with 175 juried exhibitors displaying original art and craft work under majestic Camelot tents. Fall foliage will be at its peak for this holiday weekend.

Entertainment will be provided by Starline Rhythm Boys at noon and 3:00 p.m. daily.

Activities include free horse and carriage rides, children's fall craft activities, puppet shows and the wacky comic juggling Waldo Woodhead Show. Great food completes the menu.

Adult admission is \$7, kids 6-17 are \$2. The festival will be held rain or shine. There is plentiful free parking.

No pets will be allowed. For more info, (802) 253-7321 or visit our website at <http://www.craftproducers.com/>.

Compassionate Friends

The Compassionate Friends are a non-denominational, self-help group for parents, grandparents and siblings who have experienced the death of a child, grandchild, brother or sister. The group meets the third Tuesday each month, 7:00-9:00 p.m. at Christ Church, Presbyterian, 400 Redstone Campus, UVM, Burlington. Meetings in 2004 are: October 19, November 16, and December 21. Call 482-5319 for information, or drop in to a meeting.

12th Annual Ethel Atkins Chicken Pie Supper October 9

By Dorothy Pellett

The Charlotte Congregational Church Ethel Atkins chicken pie supper will be on October 9 this year and again will be at the Charlotte Central School for greater seating capacity. It has been a successful fellowship event and major fund raiser for the church for many years.

An added attraction each year is the silent auction of items, services and gift certificates donated by local businesses and individuals.

The supper will have two seatings, at 5:00 p.m. and 6:30 p.m. The traditional chicken pie will be featured, with vegetables and accompaniments. For dessert — homemade apple and pumpkin pies. Take out will be available. Supper prices are: adults: \$7.50; children: 6-12 year, \$3.75; under 6: free.

Reservations are recommended: call 425-3176. If leaving a message, please indicate preferred seating time and include your phone number so your reservation can be confirmed.

Again this year, the supper is named in honor of long-time Charlotte school lunch supervisor Ethel Atkins.

Fleming Museum Fall Art Classes Announced

Chinese Brush Painting

Art class for adults and teens

Saturdays, October 16 and 23, 10:00 a.m. – 3:00 p.m.

To register call: 656-0750

Instructor: Yinglei Zhang

Fee: Fleming Museum members \$90; General \$100 (includes all materials)

This class is a wonderful opportunity to explore Chinese art and gain an appreciation and understanding of the aesthetics of Chinese painting. Students will learn the "four gentlemen" series, which represents the four seasons of the year—plum blossom, mountain orchid, bamboo, and chrysanthemum—and gain the basic skills to facilitate further practice on their own. This course is exploratory and requires no background in art.

Art Adventures

After-school art classes

Wednesdays, 3:30 - 4:45 p.m.

Ages 6-8: September 15 - October 20

Ages 9-11: October 27 - December 8

Fee: Museum members \$30; General \$35

To register call 656-0750

opportunities for children to explore the visual arts. UVM art education students, supervised by their instructor, Tom Brennan, teach the classes for each age group.

Whether your child loves art or is just curious to try something new, these classes offer individualized attention and the chance to experiment with a variety of mediums, such as painting, sculpture, and collage.

The Magic of Puppets

Kids on the Block-Vermont invites community members to become part of a statewide educational puppet troupe. NO EXPERIENCE NECESSARY!

A nine-week training session will provide volunteers with the basic skills in the Japanese art of Bunraku puppetry. Training begins on Tuesday, October 5, from 6:30 - 8:30 p.m., and continues through November 30 (with Thanksgiving week off). The session takes place at 294 N. Winooski Ave. in Burlington.

Deb Lyons, Co-Director of Kids on the Block-Vermont, observes that, "Becoming a volunteer puppeteer is a great way to have fun and reach children in an innovative manner."

Kids on the Block-Vermont is a non-profit organization dedicated to teaching children in grades K-8 how to be safe and healthy and to appreciate each other's physical and cultural differences. Using life-sized puppets, this program seeks to create a community which helps children realize their full potential. For more information, please call 860-3349.

National Shortage of TVM and O&M Instructors Inspires Tuition-Free Master's Program

Ever thought about getting your Master's degree, but don't know where to go or don't have the money? The Vermont Association for the Blind and Visually Impaired (VABVI) is pleased to announce that the University of Massachusetts at Boston is looking for students to enroll in their on-line Master's Degree training programs for Teachers of the Visually Impaired (TVI) or Orientation & Mobility (O&M) Instructors. This special program is tuition-free, but there is a commitment to work in Vermont for a certain amount of years upon graduation.

The Graduate College of Education at the University of Massachusetts has received two five-year federal grants to address a national and regional shortage of teachers and related service professionals with specialized knowledge in Visual Impairments.

Teachers of the Visually Impaired (TVI's) are educational specialists providing support to both the student and classroom teacher. The primary goal of the TVI in a public school setting is to support the full inclusion of the child within the classroom in all educational experiences. This is accomplished by assessment, direct instructional support, curriculum adaptation and consultation to the educational team including family and community.

Orientation and Mobility (O&M) specialists teach people who are blind or visually impaired the skills and concepts they need in order to travel independently and safely, be it in the home and classroom, or in the community and city. Some O&M Instructors teach visually impaired children in school programs, others teach adults in rehabilitation settings.

VABVI offices are located in Brattleboro, Burlington, Montpelier, and Rutland. Call 1-800-639-5861 or visit <http://www.vabvi.org/> for more information.
