Story Walk and Scavenger Hunt to Celebrate Hinesburg's Two Town Forests

BY LENORE BUDD, TRAILS COMMITTEE

It's been 100 years since the enabling legislation for creating municipal forests in Vermont was enacted in 1915. As part of a yearlong, statewide celebration of Vermont's many municipal forests, the Hinesburg Trails and Town

Forest Committees are hosting two special events to encourage residents to get acquainted with our two town forests. These family-oriented events are underway now and will culminate on September 26 during Hinesburg's Annual Fall Festival.

Starting on September 23 and running through September 26, a Story Walk will be displayed at the LaPlatte Headwaters Town Forest. The beautifully illustrated children's book, *Over in the Forest: Come and Take a Peek*, by Marianne Berkes will be installed along the trail leading from the Gilman Road trailhead parking area, across the field, into the forest, and to the Hidden Meadow. Thanks go to the staff and volunteers at Annette's Preschool who selected and prepared this very appropriate book for display.

Starting on September 19 and running through September 26, a scavenger hunt for all ages will be set up in the Hinesburg Town Forest. Maps and passports for the 1.5- mile loop will be available.

The News Has Changed from "Massive Fire" to "Massive Celebration"

BY HINESBURG ECONOMIC DEVELOPMENT COMMITTEE

Headlines in this newspaper and others have told most of the story from destruction and great loss to renewal and growth, but have you seen with your own eyes and heard from the rebuilders what they've created? If not, September 26 is your chance to. Celebrate the re-birth of the Cheese Plant.

Headlines about the "Massive Fire at Saputo Cheese Plant" (WCAX.com, September 29, 2008) and our dedicated "Firefighters' Quick Work Avoids Total Loss at Saputo" (The Hinesburg Record, October 25, 2008. NOTE: All past issues can be viewed at HineburgRecord.org) and "Saputo announces the closure of its plant in Hinesburg" (Saputo.com, October 22, 2008) turned quickly to news that, "In response to the Saputo Cheese plant closure, and the significant com-

Elections

Fall is upon us and that always makes me think about Federal Elections which are typically held every other year on the first Tuesday in November. Since we are in an odd numbered year, and we are not having any bond votes or petitioned articles at this point, there are no elections happening this November in Hinesburg. The Presidential Primary will be held on Town Meeting Day, which is March 1, 2016. That should be an interesting day, though it is a long way off! If you are new to Hinesburg, please be sure to register to vote anytime between now and then to ensure your ability to participate in this important part of the democratic process. Watch for many more updates in the months to come regarding early voting options, registration deadlines and other things to know for Town Meeting Day 2016!

Annual Audit

The public accounting firm of Fothergill, Segale and Valley has once again been retained to conduct our annual audit. Their team of auditors will be here for two days, October 6 and 7, and they will work with all of us here at town hall to be sure that all aspects of our operations are represented accurately and according to generally accepted accounting standards. We all appreciate their efforts and advice in helping us to fairly and accurately represent the financial position of the town as of June 30, 2015, the end of our fiscal year. One thing that most people are unaware of is that we must annually add or remove any "fixed asset" from our balance sheet. This can include vehicles, roads, radios, computers, water and sewer lines, real estate, buildings, pavement and any other property that we are required to catalogue and depreciate. All of these things become part of the balance sheet of the town. It appears at this point that we do not need the additional "single audit" which is triggered when the Town has received more than \$500,000 in Federal funds in any given year. This reduces the overall cost of the annual audit.

Property Taxes

Property taxes are due November 16. We don't accept postmarks so please be sure that we have received your payment by the due date. If you haven't received your property tax bill, please give me a call at 482-2281 ext. 223 and I will mail or e-mail you another copy. Though Hinesburg no longer charges the 8 percent penalty for late payments, we do charge 1 percent interest per month for those payments received after the due date. Once payments are delinquent, you will receive monthly statements showing the principal and interest due. We always encourage people to set up a payment plan for delinquent taxes in order to get them back on track and to avoid the possibility of a tax sale.

As always, if you have any questions regarding more or less anything about town issues, give us a call and we will help you figure things out or provide you with information.

Vacancies on Town Boards and Commissions

BY CATHY RYAN

Are you looking for a way to play more of a role in your community? If so, consider volunteering for one of Hinesburg's many boards and commissions. There are quite a few vacancies, with a variety of duties. Applications are available on the Town website at hinesburg.org/vacancies.html or can be picked up in the Town Administrator's office. Please submit an application via email to Renae Marshall, rmarshall@hinesburg.org or drop off in the Town Administrator's Office.

Affordable Housing Committee: (2 vacancies) 3-year term

The Affordable Housing Committee is an advisory group responsible for gathering, generating and prioritizing ideas and plans which will help to increase the availability of affordable housing in the Town, as well as to assess the quality and quantity of current affordable housing, and to bring these ideas and information forward in an advisory manner to the Select Board, Planning Commission, Development Review Board and Town staff. This is a nine member committee.

Agency Request Review Committee: (2 vacancies) 3-year term

The Agency Request Review Committee is an advisory group responsible for evaluating and prioritizing requests for funding appropriations from social service agencies that serve the residents of our community, and for making a funding recommendation to the Selectboard to be included in the annual budget. The task of the Agency Request Review Committee would be to evaluate the information submitted by social service agencies, considering factors such as the number of Hinesburg residents served, the type of service and the percentage of agency income that is used for program costs, to prioritize and quantify appropriations in order to maximize the value residents receive from the tax dollars appropriated. Due to the annual fluctuation in workload, the Committee does not have a regular schedule for meetings. However, the majority of the Committee's work is completed between September and December annually.

CCTA Alternate: (1 vacancy) 3-year term

Chittenden County Transportation Authority (CCTA) is governed by a 13-member Board of Commissioners with two Commissioners representing Burlington and one Commissioner from Essex, Hinesburg, Milton, Shelburne, South Burlington, Winooski, Williston, Washington County, Franklin County, Lamoille County and Grand Isle County. Board seats are held for a 3-year term. Commissioners set Board goals annually and these long-term goals guide the General Manager of CCTA and the priorities of the Authority for that Fiscal Year.

Conservation Commission: (5 vacancies) 4-year term

The Hinesburg Conservation Commission operates as an advisory board to the local Development Review Board, Planning Commission, and Select Board. The Conservation Commission is also responsible for the management of Geprags Community Park and recommending expenditures from the Land Conservation Fund for local projects.

Development Review Board (DRB) Alternate (1 vacancy) 3-year term

The DRB reviews all development proposals that require more than a simple zoning/building permit. This includes applications for: subdivisions, business site plans, planned residential developments, conditional uses, signs, camp conversions, etc. The Board is a technical and project/application driven group with a specific "rule book" (Zoning and Subdivision regulations and Official Map) on which to base approvals or denials of new development. The DRB meets on the first and third Tuesdays of each month at 7:30 p.m.

Economic Development Committee (1 vacancy) 3-year term

The mission of the Economic Development Committee is to develop a 5-year Strategic Economic Development Plan for adoption by the Select Board; and help recruit, vet, promote, and aid Hinesburg business owners and developers to work amicably and efficiently with the Town and its local governing body.

Energy Committee: (2 vacancies) 3-year term

The Hinesburg Energy Committee's mission is to promote the wise use of energy resources in the town of Hinesburg. Through research, education and awareness efforts, the committee will help residents and town officials conserve energy and help them transition to renewable sources of energy.

Lake Iroquois. It is these municipalities that make up the Lake Iroquois Recreation District. One resident from each member municipality makes up the Board of Commissioners.

The district exists for the purpose of owning, leasing, developing, maintaining, and managing its property located on Lake Iroquois and vicinity, for public park, conservation, and recreational purposes to serve its member communities.

The District Commission normally meets the first Monday of each month at the Williston Town Office.

Recreation Commission: (2 vacancies) 3-year term

The Recreation Commission oversees the operations of the Recreation Department in an advisory fashion. The Commission assists the Recreation Coordinator in reviewing and designing programs and policies based on the needs and wants of the community, and works to insure high quality recreation programs for the Town of Hinesburg. The Commission also reviews existing recreation facilities making recommendations to the Select Board for new facilities or improvements to existing facilities. The Commission meets the second Tuesday of each month.

Village Steering Committee: (3 vacancies) 2-year term

The Village Steering Committee is an advisory group responsible for gathering, generating and prioritizing ideas and plans which will help to enhance the quality of life in the village, and to bring these ideas forward to the elected officials, appointed boards and commissions and Town staff. The Village Steering Committee serves as a voice for the residents and businesses located in the village area. Residing in the village is not a requirement for serving on this committee. The Committee meets the second Monday of each month.

Free Children’s Clothing and Book Swap

BY RACHEL KRING, FRIENDS OF FAMILIES COORDINATOR

This popular FREE event is for anyone seeking children’s clothing and books. The swap will be held at Hinesburg Town Hall on Saturday, October 3, 9:00-10:30 a.m.

To ensure another successful swap, donate all gently-used children’s clothing, sized infant to 14 and children’s books, toddler to middle-school level. Drop off clothing and books at Hinesburg Town Hall on Friday, October 2, noon to 8:00 p.m. (no toys and no drop-offs on the day of the swap, please!). This is a great way to do your fall wardrobe switch, get new sizes for your own kids and pass on some clothing to friends and neighbors.

The event is sponsored by Hinesburg Community Resource Center’s Friends of Families Program.

Swap FAQ

Q: How does it work?

A: Donate as many gently used items as you want on October 2 (items will not be accepted on swap day). Volunteers

will sort clothing by size and gender. We don’t assign dollar values or tally up what you drop off. Participants in the swap can pick whatever they need for their families on October 3.

Q: Do I need to drop off clothing and/or books to participate?

A: No! If you just need clothing for your family and do not have anything to donate, you are welcome to just “shop.”

Q: Can I drop off toys?

A: We do not accept toys. Please consider donating those elsewhere.

Q: I can’t drop my clothes/books off on October 2 between 12-8pm. Can I still make a donation?

A: Yes. Please call or email Rachel Kring to make alternate arrangements: 482-4667 or HinesburgFOF@gmail.com.

It’s a Brave, New World for Recycling!

As of July 1, recycling became mandatory statewide. It’s been mandatory here in Chittenden County since 1993, and in many other communities around Vermont, but now it’s universal across the state, in line with the name of the law itself – Act 148: Vermont’s Universal Recycling and Composting Law.

The law came about as members of the Vermont Legislature recognized that what we have been calling our “waste” stream is, in fact, largely made up of resources with true economic value. The law is meant to turn that waste stream into a trickle. CSWD is here to help our community make that happen.

Act 148 contains a variety of mandates. Each year, since its passage in 2012, a fresh roster of mandates come into play. CSWD’s School, Business, and Community outreach team works with a wide spectrum of businesses, municipalities, and residents to help everyone understand how the law impacts them and find the ways that work best for them to understand and comply with the law.

Below are the provisions that have come into play as of July 1, 2015 :

• **Landfill ban on untreated wood:** In Chittenden County, any wood that has not been treated with any chemical, stain, preservative, paint, oil, or adhesive will be banned from landfill disposal. This includes natural wood, such as branches and logs, as well as lumber, pallets, etc.

CSWD is enacting its untreated wood ban a year earlier than the Act 148 statewide mandate because local companies have succeeded in finding reliable markets for reusing the material and are providing ways to collect and deliver that material to those markets. Visit CSWD’s clean wood disposal web page for disposal information.

• **Statewide landfill ban on mandatory recyclables:** Certain recyclable materials and items have been banned from the landfill in Chittenden County since 1993. Now Act 148 stretches most of that ban across the entire state of Vermont! Click here for a list of Chittenden County’s mandatory recyclables.

• **Unit-based pricing must be offered by all haulers, transfer stations, and drop-off centers.** Also known as Pay-As-You-Throw (PAYT), unit-based pricing – based on weight or volume – is a proven, effective way of encouraging

able at the Hayden Hill Road East and West trailhead parking areas. Just bring a pen or pencil so you can fill out your passport as you figure out the answers to the clues and be sure to stamp your passport at each of the twelve “destinations.” Submit your completed passport to the Recreation office at Town Hall before September 26, or to the Scavenger Hunt table in the main meeting room at Town Hall by 3:00 p.m. on the day of the Fall Festival (Saturday, September 26). Winners will be announced at the Stone Soup Supper that evening and on Front Porch Forum. Local businesses have generously donated prizes for those who successfully complete the scavenger hunt.

If you’re looking for a shorter trail activity during the Fall Festival, take a few minutes to admire the new trail bridge at the start of the Russell Family trail just behind the baseball backstop behind Lantman’s Market. Earlier this month, with the guidance of trail-building professionals from Timber and Stone, LLC, Trails Committee members and other volunteers replaced the old, rotting bridge with a longer, higher bridge, which should avoid the ravages of ice and spring runoff.

The Trails Committee can always use more help with trail maintenance and events. If you’re interested, please contact the Chair, Lenore Budd at buddfamily@gmavt.net. Meanwhile, enjoy adventures close to home on our many trails. Trail maps are available at the trailheads and at hinesburg.org/hart.html.

recycling. With unit-based pricing, the less you send to the landfill, the less you pay, unlike flat-rate pricing structures that offer no benefit for those who make the effort to keep as much as possible out of the landfill.

• **Recycling containers must be paired with trash containers in publicly owned spaces.** You can't recycle if there's no recycling bin to use! Act 148 requires that all trash containers in publicly owned spaces – such as town and city parks and public schools – be paired with a recycling bin.

• **Landfill ban on food scraps for those who generate at least 52 tons per year:** Act 148 mandates that generators of 52 or more tons of food scraps per year (that's at least a ton a week) must find a way to keep those scraps out of trash headed for the landfill. Options include reducing the amount of food scraps wasted, donating quality food to a food bank, sending scraps to a farm for livestock, composting, and other inventive ways of keeping that valuable material out of the landfill. We've got boots on the ground to help those business set themselves up for success in complying with the law. Find out how we can help you!

• **Facilities that offer services for managing trash (transfer stations, Drop-Off Centers, etc.) must also accept leaf and yard debris** and make sure that it does not end up in the landfill, under Act 148 rules. CSWD will continue to offer this service at Drop-Off Centers, Green Mountain Compost, and the McNeil Wood and Yard Waste Depot.

• **Curbside trash haulers must also offer recycling pickup services.** Once again, this has been the law of the land in Chittenden County for several years. It is now the law for the entire state under Act 148.

Disposing of Invasive, Noxious, and Diseased Plants

Late blight is once again creeping into gardens, wreaking havoc on tomatoes and potatoes, spreading on the lightest of breezes. For information on controlling and dealing with late blight, visit the UVM Extension web page at tinyurl.com/UVMag and search for "late blight" for a roster of resources.

Wild parsnip and giant hogweed are blooming once again, adding a terrifying beauty to the roadsides and fields of Chittenden County. The plants resemble Queen Ann's lace – but on steroids. YIPES! The sap from the plants can prove quite painful if you get it on your skin. Ultraviolet light (present even on cloudy days) reacts with the sap and can cause reddening, rashes, discoloration, severe blisters, and burning. Wear gloves and protective clothing while removing the plants, and dig them out by the roots, remove flowers to prevent seed production, etc. For details on wild parsnip and giant hogweed management, visit the Vermont Department of Health's wild parsnip web page at tinyurl.com/VDHparsnip.

Proper disposal is key to keeping these invasive, noxious, and diseased plants from spreading further. Visit CSWD's invasive, noxious, and diseased plant disposal web page for details at tinyurl.com/CSWDplants.

It is important that you bag the plants, ideally in a paper grocery bag or a compostable leaf bag (available at many hardware stores, garden centers, and grocery stores), and drop them off at one of the facilities listed below. This keeps the sap from getting on anyone or anything, and keeps the seeds from spreading.

Wherever you bring it, let the site operator know that you have noxious weeds. They will let you know if there is a specific spot for you to dump them.

If you use plastic bags, you MUST empty the weeds out of the bag at all drop-off locations, and dispose of the bag in the trash.

Bring bagged material to: Green Mountain Compost – 8:00 a.m.-4:00 p.m. Mon-Sat; 1042 Redmond Rd., Williston, or CSWD Drop-Off Centers - 7 locations in Chittenden County.

All material brought to these facilities ends up at Green Mountain Compost in Williston, where, unlike backyard compost systems, composting temperatures are high enough to degrade the noxious compounds in the plants as well as destroy the seeds to prevent future germination.

Police

Chief's Corner

BY CHIEF FRANK KOSS, HINESBURG
COMMUNITY POLICE

On August 12, when I submitted my *Hinesburg Record* article for August, we had a string of burglaries plaguing Hinesburg. I ended the Chiefs Corner by saying it is hoped by the next edition, we will have caught our burglars and can provide a detailed description of their journey through the system.

Thanks to an alert resident, on Friday, August 21, Hinesburg Police arrested Anthony Seagroves, age 23, who is a resident on Wile St. in the Sunset Mobile Home Park. Since that time, two more individuals have been arrested and cited into court, one of burglary and one on possession of stolen property. Their names are not being released due to the ongoing investigation.

I attended Seagroves' arraignment and what can clearly be my most positive experience in court since I came to Vermont, the judge has held him on \$10,000 dollars bail. The only reported burglary since Seagroves was arrested was a homeowner who had been away for ten days.

Although we won the battle, the war continues. We encourage our residents to remain vigilant and call us for any suspicious people or vehicles. You are encouraged to keep your houses and vehicles locked.

National Prescription Drug Take Back Day

On September 26 from 10:00 a.m. to 2:00 p.m., the Hinesburg Police, in conjunction with the Drug Enforcement Agency and Kinney Drugs will be hosting a prescription drug take back at Kinney Drugs, 10212 Vermont Route 116, Hinesburg. Residents are encouraged to check you medicine cabinets and bring in any unnecessary or expired drugs for disposal.

and Gilman Rd. SUV struck a moose, the vehicle was totaled and the moose was deceased. This was a non-injury accident due to the size of the vehicle involved.

Stolen Vehicle

On Thursday, August 20, Hinesburg General Store called regarding a suspicious vehicle parked in their lot without license plates and cardboard in the windshield. An officer responded and determined that there was someone in the vehicle. During the contact with the individual, he was evasive about who he was and hesitant to provide identification. A check of the vehicle registration came back to a stolen vehicle from Burlington.

Criminal Driving While License Suspended

On Thursday, August 20, an officer on patrol stopped a vehicle for a moving violation and not staying within the lane. The operator identified herself as the registered owner of the vehicle and was released. Further investigation by the officer determined that the operator gave a false name and was driving with a criminally suspended license. The officer located the 40-year-old female, Grace Ross from Hinesburg, and she was cited for the violation.

Burglary

On Friday, August 21, an officer responded to a reported burglary on Lomeadow Rd. This was the burglary that, due a neighbor calling in, resulted in the arrest of the prime suspect in Hinesburg’s string of burglaries.

Criminal Driving While License Suspended

On Sunday, August 23, an officer on patrol observed a vehicle with an improper registration sticker. The vehicle was stopped and it was determined that 36-year-old Robert Gratton from Middlebury was driving while criminally suspended. He was arrested and taken to the station for processing. He was released after being cited into court.

Family Fight

On Friday, August 28, officers responded to Baldwin Rd. for a reported family fight. This was a verbal altercation only and one of the parties was requested to leave for the night.

Driving Under the Influence of Alcohol

On Friday, September 4, an officer on patrol stopped a vehicle for erratic driving on North Rd. After contact with Lori Carron, 48 years old from Hinesburg, it was determined that she was driving under the influence of alcohol. She was arrested and taken to the station for processing. She was released on a citation to appear.

Fire

HFD responded to 35 calls during August.

* an example of a non-structure fire would be a telephone pole, car, or grass/brush fire.

Public Safety Fun Day Fun for All

The weather couldn’t have been better on Sept 12. Sunny most of the time, an occasional breeze, and perfect water temperature for Chief Barber, Chief Koss, and others to be dunked. As our dunkees found out, we have some young residents with quite accurate throwing arms.

Other activities included the bounce house, bubble pool, bean bag toss, climbing on the apparatus and rides on old Engine 1. Residents were able to practice putting out fires with ex-

tinguishers using the Bullex system which simulates a small fire. Inside were free items and a display of medical equipment which is carried on Med 100 and ambulances.

We would like to thank John Glenn of Cambridge Rescue for playing the bagpipes, St. Michaels Rescue for Car 10 and a crew, and the many volunteers and businesses that helped make the day a success.

If anyone has any suggestions for ideas for next year, please email us at info@hinesburgfd.org.

HFD would like to thank everyone for attending and your support on Fun Day and throughout the year.

Are You Winter Safety Prepared?

Even though the temps have been near 90 during the first couple of weeks, September is here, and soon so will be heating season. We will be closing the windows, and firing up the furnaces and wood stoves for the first time this season. Please make sure to have your furnaces and wood stoves checked and cleaned.

WANTED!
WELL MANAGED &
LOCALLY OWNED!

**A FAMILY OWNED
PROPANE DEALER**

If you have seen the whereabouts of your locally owned propane dealer, *by all means let us know.* Why, you might ask? Because *so many in northern Vermont* (except us!) have sold out to out-of-state corporations. The friendly local propane company you *once* knew is now controlled by out-of-state managers who probably know (or care) little about *you* or your heating and propane fuel needs.

Not so at Patterson Fuels! Our team of well trained experts are managed by folks who own the company and *live right here* in northern Vermont. They *know* what your needs are and what it takes to ensure your complete satisfaction.

So if you want to keep your business *here in Vermont*, then turn to the company that has been family owned for over 70 years - **Patterson Fuels & Propane!**

Carbon Monoxide and Smoke detectors should be checked, and batteries changed when we change the clocks. Push the test button to make sure the detector is working.

Does your family have an exit plan that includes two ways out of a room and an outside meeting place? The meeting place should be in an easy to get to location, such as a corner of the driveway or specific tree/bush, which is away from the house. Please do not stand in the middle of your driveway as emergency vehicles will be arriving.

Smoke detectors should be placed throughout the home, especially near bedrooms. This allows occupants to "Hear the Beep Where You Sleep." There should be a CO detector on each level of your home.

Be sure to check the date on your smoke alarms and CO detectors. Over the years, dust and smoke build up on the sensors, sometimes causing the alarm to sound. Detectors which are more than six years old should be replaced.

If your alarm should sound, get out immediately and call 911. PLEASE do not wait to call and please do not open windows before leaving. When we arrive, we have special meters which detect various gases, including carbon monoxide levels. By opening the windows, you are airing out the building making it difficult for us to obtain accurate readings, and the source/cause of your alarm sounding.

Planning to Burn Leaves? Don't Forget Your Permit!

Summer is unfortunately over, fall is coming and leaves will soon be falling. Please remember, if you plan to burn the leaves and branches that have fallen this fall, don't forget to call Shelburne Dispatch, 985-8051, for a burn permit.

Under the State Clean Air Act, only leaves, brush and branches may be burned. It is illegal to burn trash, painted or treated wood, construction debris, etc. Please check our website hinesburgfd.org, Burn Permits, for more information.

Bystander CPR

In a cardiac emergency, time is critical. The sooner CPR is started, the better the chance of survival. Bystander CPR can be effective in keeping blood flow to the body until emergency responders arrive on scene.

Are you interested in learning CPR? Would your business like to host a CPR class for your employees?

Please email CPR@hinesburgfd.org and one of our instructors will contact you with more information.

Hinesburg Hair Studio Opens

FROM PRESS RELEASE

A new family-friendly salon accepting walk-ins and appointments opened in Hinesburg on 24 August. The salon is co-owned by Scott Shumway and Laura Bowditch, both of Hinesburg. The salon offers women's, men's, and kid's cuts, hair color services, facial waxing, hair styling, and other services as requested. More information on services and pricing and location can be found at hinesburghairstudio.com and on facebook. Walk-ins are always welcome.

Hinesburg Hair Studio includes three styling chairs, hair wash stations, and a dedicated facial waxing corner. The space is bright, clean and comfortable. We also carry several lines of great products. If you have a wait, please enjoy our Wifi and have a cup of coffee.

Currently there are two stylists, Laura and Chelsea.

Laura grew up in Bristol, but Hinesburg

was always a second home town to her. She has worked as a hair stylist for over eight years. She has a passion for continuing education and constantly learning new skills. Laura lives right in the heart of Hinesburg with her husband, two daughters, and dog Leo (who likes to take trips to Lantman's on his own). She's excited to provide a warm and welcoming salon space in Hinesburg.

Chelsea comes to us with over eight years in the business. Originally from Connecticut, she is a new addition to the beautiful Green Mountain State. She loves vintage and classic styles, as well as the edge of contemporary looks. She trained at the Paul Mitchell Academy and has continued education in color, cutting, and texture work. When she is not busy making clients beautiful and building relationships, you can find her

in the kitchen or crafting some jewelry.

Hinesburg Hair Studio is conveniently located at 22 Commerce Street at the plaza, close to the Paisley Hippo Sandwich Shop and Aubuchon's hardware store. Our hours are 9 a.m. to 7 p.m. Tuesday through Friday and 8:30 a.m. to 4:30 p.m. on Saturdays. We are closed Sunday and Monday.

We look forward to serving our local community. We invite everyone to come to see our great space and pick up a discount card, or make an appointment for a convenient time.

Local Beef Raised at Trillium Hill Farm

BY SARA DONEGAN

Sara and James Donegan started raising beef at their farm, Trillium Hill Farm, in the Spring of 2013. Their herd is 100% grass-fed, which means they only eat grass and hay (no grain or corn). They feel this is the healthiest diet for the cattle, and in turn creates the healthiest (and delicious!) meat for human consumption.

A herd of approximately ten breeding cows are kept at Trillium Hill Farm. These cows are bred in August and September to create a calving window of May through June. Calving during this time of year means it is warm, and there is typically nice grass for the cows to graze on, meaning they will have plenty of energy to make milk for their offspring. Some calves are raised for replacement breeding stock and the rest are raised to approximately two years old and then sent to the butcher.

Stewart a full-blood British White, is the newest addition to Trillium Hill Farm's beef herd.

The cattle at the farm are contained with electric fences, often just a single strand of wire. They always have a fresh tub-full of water and they are moved to new grass one-to-three times a day, depending on the season. All James and Sara have to do to move them is open up a strand of fencing and call them through. This regular moving and human contact keeps the cattle docile and they learn to trust the farmers. This trust allows the farmers to move them long distances and load them into a trailer easily, and the cows trust that there will be good feed for them when they get to their destination.

The breed of cattle at Trillium Hill Farm is mostly Hereford. When James and Sara purchased the animals they were not impressive physically, as they came from a farm that was struggling financially. The farmers were impressed with the cattle's demeanor, however, as they were calm and friendly, which is helpful when you are just starting out! The cattle also had some desirable qualities for a grass-fed herd: they are medium-sized and short-legged, which is ideal for grass-fed beef. The Donegans just purchased a British White bull which they are breeding with this season. The British White breed is known for its ability to do well on an all-grass diet, their winter hardiness, and their heat tolerance in the summer (they are mostly white with a few black spots). Sara and James would have liked to start out their herd as all British White, but they are hard to come by in the northeast and tend to be more expensive because of that.

Sara and James take a lot of pride in their cattle and grazing management. Not only do they feel that the way they feed and treat their animals is best for the cows and meat, it is also best for the land they graze. The short, intensive spurts of grazing on the land is best for the grass and soil. It promotes grass growth, healthy soil ecosystems, and better drainage than a traditional pasturing system might.

Sara and James also have a strong commitment to making sure their animals are treated well until their last day. For example, last year they had a couple of older cows that were no longer productive as breeding stock. The price of commodity beef was high, but they wanted to be sure that the animals were well taken care of, and it's impossible to know how the animals will be treated when selling to a commodity sale. That inspired the Donegans to look into other options for their meat, and discovered a market for grass-fed hotdogs. As with the rest of their stock, they are able to treat their older cows with respect and care until the day they are brought to the butcher.

Trillium Hill Farm beef has been featured at The Farmhouse Tap and Grill in Burlington and The Hinesburgh Public House in Hinesburg. Several beef bundles are available for purchase. If

Shelburne Supermarket Sold to Michael Comeau

BY CATHERINE GOLDSMITH

Independent, locally owned grocery stores are alive and well in Vermont and not just in Hinesburg. Local businessman Michael Comeau purchased the Shelburne Supermarket in July, after the untimely death of owner Steven Clayton. This brings Comeau's total number of stores to four. Not many changes to this landmark business are planned, except for a slight change of name to the Shelburne Market.

Comeau started in the grocery business as a teen, bagging food at a Burlington supermarket. His grocery business started in 2004 when he purchased a small market in Richmond. The Richmond Corner Market flourished with a focus on quality local foods and later expanded into the centrally located and thoughtfully designed Richmond Market. When a flood wiped out a former chain grocery in Johnson, Comeau was able to work with Pomerleau Real Estate, state and local officials to bring the new Sterling Market to downtown in 2013. Comeau also bought, renamed and re-established the Village Market of Waterbury.

His stores are members of the Associated Grocers of New England Cooperative and he is a current board member of the group.

Mr. Comeau has been quoted as saying, "I could have ten stores if I plopped them down anywhere," but instead thoughtful choices and working to fit into existing communities has been his model.

A fifth store in Jericho is in the works for this successful grocery group. Plans in accordance with the new Riverside/Underhill Flats "Sawmill Property" form-based code were approved by the Jericho Development Review Board in Spring 2015 and have proceeded to review under Act 250 by the Regional Commission.

► "Massive Celebration," continued from page 1

munity interest in the future of this 15.4-acre property at the heart of our village area, the Selectboard created the "Saputo Redevelopment Steering Committee" at its January 5, 2009 meeting." (hinesburg.org/saputo, January 2009)

A year later the impact of the fire was being felt as explained in the article, "Municipal Budget Review: A Challenging Year" (The Hinesburg Record, February 18, 2010) which stated that, "The slow down in development and new housing construction, the dramatic reduction in interest income, and the loss of revenue due to the closing and decommissioning of the Saputo Cheese facility have all had dramatic impacts on the revenue projections for the coming year." Fortunately, news of progress quickly followed in "Saputo Rezoning – Making Progress" (The Hinesburg Record, January 20, 2011) and then the same year "Redstone Leases Former Saputo Plant Space" (The Hinesburg Record, September 22, 2011). Within the next couple of years this paper was able to report that, "Rising from the former site of the Saputo cheese plant is a restaurant that many have been waiting for..." in "Hinesburgh Public House, The Community's Newest Restaurant: Food, Friends, Drink" (The Hinesburg Record, January 24, 2013).

This successful economic (re)development story is the result of a lot of hard work by our neighbors and the business owners who felt Hinesburg was the right choice and had the right set of ingredients to support their success. Each business has a different story to tell and on September 26 you can hear directly from the businesses who call the Cheese Plant home – Kimball Brook Creamery, Senix, Vermont Smoke and Cure, Hinesburgh Public House, and more.

The whole community is encouraged to celebrate today's good news about the Cheese Plant on Saturday, September 26. Activities will kick-off with a press conference at 1 p.m. Tours of businesses will be provided from 1-3 p.m., followed immediately by music and food from 3-5 p.m.

Recreation

BY JENNIFER MCCUIN

Happy fall. Our Hinesburg Recreation Department Youth Soccer Program launched on Saturday, September 5, on our very HOT Labor Day Weekend. It was so hot that we had to cancel the first Kindergarten practice due to an overly high heat index. Look for the royal blue t-shirts swarming behind Hinesburg Town Hall on Saturday mornings and Sunday afternoons. Our all-star coaching staff includes: Jessica Holzschuh, Ben and Carly Epstein, Scott Lamothe, John Paul Arnoldy, Dom St. Arnaud, Jim Silvia, Kitty and Eva Frazier, Andrew Frost, Elisabeth Garvey, and members of Champlain Valley Union Men's Varsity Soccer Team: Ryan Gardner, Mike Loner, Miles Hickock, Keith Roberts, and Jeffrey Paronto. Our Ultimate Frisbee program has successfully launched for another season boasting 21 participants, thanks to Dan Opton. It looks like a great start for our fall sports, so enjoy the season and we'll see you around town!

The **Annual Fall Festival is Saturday, September 26.** Come visit the Farmer's Market at the Rock Wall. Enjoy fresh produce, homemade, local food, art demonstrations, music, and children's activities, too. Come to the **Fall Festival Stone Soup Supper on Saturday, September 26 at 6:00 p.m.** at the United Church of Hinesburg's Parish Hall. Our Hinesburg Land Trust sponsors this community event to highlight the amazing and diverse foods grown by local farmers and in support of the Hines-

burg Food Shelf. Volunteers prepare and serve at least three different salads, six types of soups and many sweet desserts. Tickets are on sale at our Town Clerk's Office; at the Recreation Department, 482-2281, extension 230 or hinesburgrec@gmavt.net; and, will also be sold at the Fall Festival. Adults are \$10, children from ages 5 to 12 years are \$5 and under age 5 are free. For more information, please call Andrea Morgante at 482-5120. Come one, come all to the Annual Hinesburg Fall Festival – Happy Fall!

Youngsters Storytime

Babies and kids ages birth-4 join Librarian Sara every Tuesday from 9:30-10 a.m. at the library's community room for stories, movement, songs and snacks.

Fourth Friday Family Film Night

Children and adults are invited to cozy into the community room for a free movie and popcorn from 6 – 8 p.m. on Friday, September 25. All movies will be rated PG or G. Children under the age of 10 must be accompanied by an adult. Call the library to ask what movie will be playing (482-2878.) Next movie night: Friday, October 23.

Crafternoons

Here is an opportunity for kids to get creative with craft materials for an hour after school. Materials and snacks are provided. There will be a different theme every month, the first Tuesday each month from 3 – 4 p.m. The October 6 theme will be Building with Clothespins and Popsicle Sticks. This program is for ages nine and up is FREE! Pre-registration is required: sign up at the front desk or by calling 482-2878.

Lego Club

Thursday afternoons from 3-4 p.m. at the Carpenter-Carse Library. Come build with Lego blocks with your friends after school! This program is limited to 15 children; sign up for one of two six-week sessions at the library, or by calling: 482-2878. The first six-week

Help Publish The Record

The Hinesburg Record is a true community project—written, edited and produced by volunteers. You can help!

We need people to report on community meetings and events, to edit copy, and to take photographs. If you care about Hinesburg town government, business, recreation, schools, arts, or organizations, and want to help strengthen our community, why not join us?

The time commitment is flexible. It's fun and rewarding, and we even get together for pizza now and then.

The Hinesburg Record is a 501(c)3 non-profit community volunteer organization (staff members who do substantial work may be eligible for small stipends). For more information please email therecord@gmavt.net

session starts October 15. The second session starts February 4. Children ages 5-10 are welcome, with or without an adult. Snacks are provided. This is a FREE program, but parents will be encouraged to donate their time or snacks to the club.

Book Discussion Group

Avid readers are invited to join our library's book club for adults, which meets monthly in readers' homes. The September discussion features *The Sixth Extinction* by Elizabeth Kolbert on Tuesday, September 29, at 7:00 p.m. The selection for Thursday, October 29, is *My Brilliant Friend* by Elena Ferrante. Refreshments are a bonus! Please phone Carrie at 482-4565 for information on meeting location, the October selection, and more.

Café Make

This all-ages program is yours for the making. We provide the coffee, space, and snacks to fuel your imagination. Come create, collaborate, caffeinate and converse with others or simply use the library's resources to turn your

thoughts into reality. Did you know the library has a sewing machine, Wii, scanner, and gardening space all at your disposal? We want to be the catalyst for your ideas. Drop-in anytime between 10 a.m. – 2 p.m. or stay for the entirety. The next Café Make will be on Saturday, October 10.

New Periodicals for Carpenter-Carse

Some exciting new titles have started to arrive at the library. Don't miss *Nautilus*; each issue explores a different topic – a rich soup of ideas and information. From the *Nautilus* webpage: "Each issue combines the sciences, culture and philosophy into a single story told by the world's leading thinkers and writers. We follow the story wherever it leads us.... *Nautilus* lets science spill over its usual borders. We are science, connected." Do check out this and other new additions:

Special Events

Audubon Preschool Program: Itsy Bitsy Spiders

The itsy, bitsy spider went up the water spout, wall, wildflower, and willow! Is there any place this spider can't go?! Join Audubon Vermont at the Carpenter-Carse Library in Hinesburg on Saturday, September 26, 10:30 a.m. – noon as we explore the world of spiders. Learn about our 8-legged friends and their cousins as we search the grounds for these creatures and their webs. Then we'll use our own spinnerets to create a web... maybe we will even catch some tasty insects! Ages: Families with children ages three and up.

Fee: FREE. Pre-Registration is required. Sign up directly by either stopping in at the library front desk or by calling 482-2878.

Music with Mister Chris

Join us for a sweet sing-songy time with local children's musician Chris Dorman on Saturday, October 24, at 11 a.m. He has young ones in mind when performing and engages children with music which "inspires laughter, wonder, and warmth between parents, and caregivers, and their children." See his website for more information about his music: misterchrisandfriends.com. We are thrilled to have Chris here and plan to get cozy in the community room!

Preview – CVU School Board Work Plan

CVU SCHOOL BOARD COMMUNICATIONS COMMITTEE

Did you know that each summer the CVU Administration, CVU School Board Chair and the CSSU collaborate together to create a plan for the work of the CVU School Board over the coming school year? While a final plan won't be officially adopted by the entire CVU School Board until later this fall, we wanted to give you a preview of some of the topics they are likely to hear about.

Below is a list of CSSU Common Topics and CVU Administration Presentations. CSSU Common Topics are intended to provide all board members in the CSSU district a broad view of strategic trends and issues in education. CVU Administration Presentations focus on CVU-specific topics of interest that may or may not be related to the CSSU Common Topics. The public is invited to attend any of these informational talks. Monthly school board meeting agendas will include other topics for discussion in addition to these. For specific presentation dates and meeting agendas, please visit www.cssu.org.

CSSU Common Topics

ACT 46/ Governance

Act 46 is an act relating to making amendments to education funding, education spending, and education governance. Nicole Mace, the new Vermont School Boards Association (VSBA) Executive Director, will provide an overview of the law, how it was developed, the intentions of lawmakers and implementation requirements.

Narrowing the Achievement Gap

Gaps in student academic achievement data continue to persist at CVU when disaggregated by differences in socioeconomic circumstances and gender. This topic connects to many others including existing systems within schools, governance and student outcomes. Speaker not yet confirmed.

Student Wellness

Connecting Youth will lead a presentation on new and updated ways to enhance student wellness. Wellness topics may include substance abuse, nutrition, exercise, stress management, healthy relationships and others.

Legal

Lawyer Art Cernosia will present his yearly update on issues in the legal world relevant to the CSSU.

Technology

Dan French, Superintendent of the Bennington-Rutland SU, will help us think about technology in our schools. Where will be in five years? What's new on the

horizon?

How does it impact the work we do today and in what ways do we prepare?

CVU Administration Presentations

PBL/Graduation Standards

This presentation will provide an overview of state-mandated Performance Based Learning requirements as they relate to potential graduation standards.

International and Domestic Student Travel

Students at CVU have a growing number of opportunities to travel as part of their school experience. (Please note that these trips do not receive support through the school budget.) However, not all students have equal access to these opportunities. This presentation will explore why it is important to give students opportunities to travel, how it fits into CVU educational outcomes and what strategies might exist to create more opportunities for students who want to travel to have the opportunity to travel.

Tech Integration

An update on the CSSU/CVU Tech Integration initiative will be provided. This multi-pronged initiative encompasses technology learning standards for students, the use of technology for instruction and the standardization of technology (both in terms of learning standards and hardware/software) across the CSSU.

Co-curricular Program

CVU students are fortunate to have many opportunities to participate in a robust co-curricular program that ac-

counts for less than 3.5% of the CVU budget. This presentation will focus on questions of management, access, fundraising, equitable distribution of these limited resources and how the mission of the co-curricular program ties to the broader CVU mission. Why spend valuable time on matters that impact the budget so minimally? It's simple. The program's small fiscal footprint translates to consequential experiences for many CVU students. It's time to ask ourselves, are we getting it right?

PLPs Update

In this presentation, the board will learn how freshmen are embracing CVU's approach to meeting state-mandated Personalized Learning Plans for all Vermont students. How is it evolving and where can improvements be made?

We hope that the information provided here gives you a sense of the breadth and complexity of the work undertaken by the CSSU, CVU and the CVU School Board (along with the K-8 schools and boards) on behalf of students in the CVU sending communities. Your interest in learning more about this work and your questions, thoughts and ideas are welcomed.

combining forces to host a fundraising
dinner for the children of Hinesburg.

Open to the public, the community supper
will be held on Tuesday, October
6, at Hinesburgh Public House from
5-9 p.m. HPH will be serving a locally-
sourced, four-course meal for an inclu-
sive price of \$20. Half the proceeds will
flow directly to the children and staff of
Hinesburg Community School.

During the last school year over \$18,130
of PiE fundraising benefited HCS chil-
dren and staff through grants and direct
teacher funds for supplies, field trips, etc.
Examples of some of the grants awarded:
Maker Space Kit, Professional Folklore
Storyteller, Summer Camp Scholarships,
Dreambox Math Program, Sound Equip-
ment for Music and Theater, Science Dis-
covery Kits and Teacher Appreciation.

As you can see, the fundraising touches
a broad swath of our community's chil-
dren, so please mark your calendar for
October 6. Our goal is to host 100 din-
ners and raise a \$1000 for the school.

See you there!

HCS Participates in Art Hop

BY KATIE O'BRIEN

Hinesburg Community School was fortu-
nate to have been invited to participate
in the Southend Art Hop which was held
in Burlington, September 11-13. Our
school's art piece was created at the end
of our last school year by Cassie Mac-
Mahon and Liz Girard who are now both
seventh graders, as well as Grace Wash-
burn and Amber Robert who are now
ninth graders at CVU. The sculpture was
on display at Burton Snowboard Factory
on Industrial Avenue in Burlington. We
hope that you had the opportunity to
see our students' wonderful art piece.
The sculpture will be on permanent dis-
play at HCS at the end of September. We
are so proud of our students' creative
accomplishments.

Sculpture by HCS students, displayed at the
Southend Art Hop.

received by deadline will be
considered for next issue.

Young Writers Project Weekly Writing Challenges

FROM PRESS RELEASE

About Young Writers Project:

Young Writers Project is an independent nonprofit that engages students to write, helps them improve and connects them with authentic audiences through this newspaper; YWP's web site, youngwritersproject.org, and digital magazine, *The Voice*; and other partners, including vpr.net and vtdigger.org.

Young Writers Project has just launched a new web site at youngwritersproject.org designed to provide more opportunities for youths to exercise their writing and digital media skills and interact with peers and mentors. YWP's team of editors and writer leaders will choose the best each week for publication – including submissions to these WEEKLY CHALLENGES as well as daily challenges on the home page of youngwritersproject.org. Check out the new site, and find the weekly challenges at youngwritersproject.org/prompts15-16.

How to Submit: Students, Grades 3-12, are encouraged to submit their best writing, photos, audio and video from inside or outside school for publication and/or presentation. For information on how to sign up for an account, submit work, and get published, go to youngwritersproject.org/publication.

Support: YWP is supported by this newspaper and foundations, businesses and individuals who recognize the power and value of writing. If you would like to contribute, please go to youngwritersproject.org/support, or mail your donation to YWP, 47 Maple St., Suite 106, Burlington, VT 05401. Contact: Executive Director Geoffrey Gevalt: ggevvalt@youngwritersproject.org; 324-9537; or Publications Coordinator Susan Reid: sreid@youngwriter-sproject.org; 324-9539.

Week 1 – Due Sept. 4

General writing. Your best writing from the summer in any genre.

Week 2 – Due Sept. 11

Mentor. Who has influenced and encouraged you most in your life – in or out of school? Why has this person been so powerful for you? Alternate: Photo-Bookshop: Write a story based on the photo, “Recursive Bookshop,” by Alexandre Duret-Lutz (see youngwritersproject.org for photos).

Week 3 – Due Sept. 18

Self-portrait. Tell a story that you think shows your essence, your most important trait(s). You can write or use visual media or sound. Or a combination. Alternate: Sound-Engine: Click on the audio link for this challenge on youngwritersproject.org and write the story you hear, or use the clip and add more sounds to create a soundscape (or sound story.)

Week 4 – Due Sept. 25

Impressions. Has your first impression ever been totally wrong about someone or something? Tell a story about a first impression that was wrong OR how someone had the wrong impression of you. How did it turn

out? Alternate: Photo-Nuclear: Write about the photo, “Morning Glory,” by David Blackwell (see youngwritersproject.org for photos).

Week 5 – Due Oct. 2

802. What's it like to be a teenager in Vermont? In words, images and/or sound, describe your life in this rural state. Share your best and worst stories. Do you want to stay or flee? (This is part of a project with medium.com.) Alternates: Loyalty: Tell a story where loyalty plays a key role, either in a heroic way or by getting your character in trouble (going along with a friend's bad idea or not heeding warnings). OR Sound-Cheering: Click on the audio link for this challenge on youngwriter-sproject.org and write the story you hear, or use the clip and add more sounds to create a sound story.

Week 6 – Due Oct. 9

One-sided. Your character can hear only one side of a phone conversation, but it sounds important; tell the story using one-sided dialogue. (If you have trouble with this, eavesdrop on a conversation and create the other side. Also, go to youngwritersproject.org and try a Lab about creating dialogue). Alternate: 35: Who will you be when you are 35? Will you be living in your home state? What will you be doing? (This is part of a project with medium.com.)

Week 7 – Due Oct. 16

Forest15. Explore a town forest in Vermont – and write to win cash prizes. All information at youngwritersproject.org/forest15-details. Alternate: Spooky: Write a story that makes your readers scream! Can be real or imagined.

Week 8 – Due Oct. 23

Winter Tales. What is your experience of winter? Tell a story in short descriptive or narrative poetry or prose. No clichés, please. The best will be selected for presentation by the Vermont Stage Company at its annual Winter Tales production at Fly-

nnSpace in Burlington in December. Alternate: General writing.

Week 9 - Due Oct. 30

Six. Write a complete poem/story in six words. (Write as many as you'd like.) Alternates: Photo-Ghost: Write a story in response to the photo above, “My Ghost,” by Matt Wilson (see youngwritersproject.org for photos); OR Art: Call for visual artists! Send us your very best photos and scanned art.

Week 10 - Due Nov. 6

Things. You have to move out of your house suddenly and are allowed only one small box for your things. What would you put in the box and what do these things say about you? Alternates: Fame: Write about a character who is suddenly famous. The paparazzi are outside the window and the character's face keeps flashing on the TV screen, but s/he has no idea why! What happens? And why the sudden fame? General: Send us your best work of any category or type.

Week 11 - Due Nov. 13

Sports. What sport would you create if given the chance? You could explain the rules, the history, describe an amazing match, tell why it was invented ... anything! Or, tell the story of an epic sports moment you were part of. Alternate: Embarrassed: What's the most embarrassing (true) story that you're willing to share? (If it involves someone else, change the names to protect the innocent!)

Week 12 - Due Nov. 20

Sound-Footsteps. Click the audio link for this challenge on youngwritersproject.org and write the story you hear or use it to create a soundscape (or sound story). Alternate: Monologue: Write a monologue of a person who is troubled or conflicted about something. Reach a resolution.

Week 13 - Due Nov. 27

Photo-Women: Using the photo, “Three Different Reactions Facing a Photographer,” tell a story about the women (see youngwritersproject.org for photos). Alternate: Foil: Create a foil or an opposite for a character. Throw both characters into a story. How do their differences conflict or complement each other?

Week 14 - Due Dec. 4

Eyes. “It was the eyes, chocolate brown and always searching, that warned me to ...” Finish the scene. Alternates: Persist: Describe a character who persists – and succeeds – despite the doubts and jeers of others. Focus the story on how the character moves forward with an idea. OR General: Send us your best work.

Week 15 - Due Dec. 11

Misheard. You overhear a startling story and retell it to others, only to

YWP “Ghotst” Photo

discover you've misheard some key points. What happens next? Alternate: Fanfiction: Extend one of your favorite fictional tales. What kind of trials are you and your beloved characters facing today?

Week 16 - Due Dec. 18

Photo-SpaceTravel. Use the photo by Los Paseos, “Greenwood Space Travel Supply Co.,” to tell a story (see youngwritersproject.org for photos). Alternate: See: Write a story that begins with this phrase, “Can't you see it?”

Week 17 - Due Jan. 8

Hallway. Your character observes a confrontation in a school hallway in which there is a blatant injustice. What happens and why? Alternates: Resolution: What is one New Year's resolution you want to tackle this year? OR General: Send us your best work.

Week 18 - Due Jan. 15

Moment. Use this phrase in a story: “Never forget this moment, my child,” the old man said ... Alternates: Photo-Veggies: Some people like their vegetables to look just so ... Use the photo, “Artisan,” by Apionid to tell a story (see youngwritersproject.org for photos).

Week 19 - Due Jan. 22

Connection. You open a love letter that isn't addressed to you, and the writer seems so familiar it's as if the letter was written just for you. What do you do? Alternates: Ad: Create a commercial advertising any product, real or imagined, in any format (words, sound, images). OR Sound-Ice: Click the audio link on youngwriter-sproject.org and write the story you hear or use multiple sounds for a soundscape (or sound story).

Week 20 - Due Jan. 29

Myth. Invent the wackiest urban myth you can think of. Alternate: Love: They said I shouldn't love you, but I can't help myself... Why? And what happens next?

SCHIP Grant Applications Due September 30

FROM PRESS RELEASE

The Fall deadline for SCHIP grant applications is September 30. Since SCHIP began making grants, many non-profits have used their awarded funds to continue their mission to improve the lives of our neighbors and strengthen our communities. Grants range from a few hundred to several thousand dollars. Grants may not exceed \$5,000 per request.

Applicant requirements:

Group Proposes Creation of Dog Park

BY KATHY GUTIERREZ

A lot of work has gotten us to the point of creating a dog park in Hinesburg. The western portion (open field) of Geprags Park would be an ideal location to have a designated, off-leash area for our canines and their human companions. This area (see map below) keeps the dogs off the trails, away from the sledging area, as well as the wetlands and birding areas.

Many towns have been very successful in creating these parks, and I believe that we could do this too. Dog parks are great for exercising our pets, and getting like-minded owners together socially. It also will hopefully reduce the loose dogs running on various trails in Geprags and throughout the town. We envision a communal effort in maintaining and fund raising for this project. The proposed design would allow for

easy access with the existing driveway/parking area, while avoiding the power poles of VELCO. A section within the enclosure would be included for smaller dogs, geriatric dogs or obedience classes. There will be a public hearing coming up to get more information, talk about next steps, and address any concerns.

Search for “Hinesburg Community Dog Park” on facebook to follow updates for this project.

Free Bikes to Borrow

BY GRACE THORBURN

There are two bikes at the Hinesburg Town Hall bike rack that are free to borrow for anyone. All you need to do is walk up the back steps of the Hinesburg Town Hall and sign the bike out on the register on the table outside, and return bike and lock up when finished. There is also one bike outside the Hinesburg Community School bike rack, which can be signed out at the Hinesburg Community School Main Office. These bikes are provided by the Hinesburg Girl Scouts as a community action project. Get out and get riding! Any questions contact Darcie Thorburn at 482-3826.

It is ALWAYS a pleasure to see how much the youths grow and mature each passing year. Again, without exception, the members of this club and all of the youths who served both as their competition and comrade alike, acted professionally and maturely throughout the last twelve months to more than earn the ribbons and praise bestowed upon them.

We look forward to the start of the 2016 season on the first of October.

Basketball Players: Represent CVU in the Mini Metro League this Winter!

BY UTE OTLEY, CVU MINI METRO COORDINATOR

Mini Metro is a competitive basketball league with teams from area high school districts. The Mini Metro season runs from early November through mid-February, with one or two practices during the week and games on Sundays. Practices begin in October when most fall sports have ended. Boys and girls teams are fielded for a fifth-sixth grade division and a seventh-eighth grade division. The CVU teams are made up of players from Charlotte, Hinesburg, St. George, Shelburne, and Williston.

Go to tinyurl.com/CVUminiMetro for more information.

Tryouts will be held at the Champlain Valley Union High School gymnasium on the following dates: Please PRE-REGISTER at the website so tryouts go smoothly.

Seventh and Eighth Grade Boys: Monday, Sept. 28, and Wednesday, Sept. 30, 7-9 p.m.

Seventh and Eighth Grade Girls: Tuesday, Sept. 29, and Thursday, Oct. 1, 7-9 p.m.

Fifth and Sixth Grade Boys: Monday, Oct. 5, and Wednesday, Oct. 7, 7-9 p.m.

Fifth and Sixth Grade Girls: Tuesday, Oct. 6, and Thursday, Oct. 8, 7-9 p.m.

CVAA Celebrates Falls Prevention and Awareness Month in Vermont

FROM PRESS RELEASE

Falls are the main reason why older people lose their independence and yet most falls can be prevented. If you have fallen in the past year, are fearful of falling, or feel unsteady on your feet, you may be at risk and should talk to your primary care physician about an appropriate strategy to reduce your risk. Understanding your risk factors can help reduce your risk.

September is Falls Prevention and Awareness Month in Vermont. Join the Champlain Valley Agency on Aging (CVAA), home health agencies, the Association of Physical Therapists of America, VDH, EMS Rescue agencies and the Falls Free Vermont Coalition by "Taking a Stand to Prevent Falls" (this year's falls-free initiative theme, spearheaded by the National Council on Aging). There will be many activities and events throughout the county providing opportunities to learn about the many evidence-based, community programs to help older Vermonters stay independent.

Seniors practicing Tai Chi with the Champlain Valley Agency on Aging.

CVAA's Tai Chi for Arthritis (TCA) falls prevention program is ranked in the top tier of evidence-based falls prevention programs by the AOA/ACL (Administration on Community Living) and the CDC (Center for Disease Control and Injury Prevention). This form of Tai Chi is more upright and safe for seniors and can also be done seated. Data indicates TCA can reduce falls by 55% and recurrent falls by 70%. Benefits include: improved strength, balance and agility; reduced joint pain; stress and depression. Tai chi combines deep breathing and slow, continuous movements that help anchor you in the present. It's a great respite for your busy life-style.

CVAA's Fall Tai Chi Calendar:

Burlington: TCA Beginners: Ongoing, Wednesdays and Fridays, 10:15-11 a.m., Heineburg Sr. Center.

Colchester: TCA Beginners: September 29, Tuesdays and Thursdays, 9:30-10:25 a.m., Bayside Rec. Dept.

Essex: TCA Beginners: September 28, Mondays and Wednesdays, 10:30-11:15 a.m., Congregational Church; TCA Advanced: September 28, Mondays and Wednesdays, 9:30-10:15 a.m., Congregational Church.

Hinesburg: TCA Beginners: October 19, Mondays and Wednesdays, 11:15-noon, St. Luke Parish Hall.

Shelburne: TCA Beginners: September 15, Tuesdays and Thursdays, 9-10 a.m., All Souls Interfaith Gathering; TCA Advanced: September 15, Tuesdays and Thursdays, 10:30-11:30 a.m., All Souls Interfaith Gathering.

Westford: TCA Beginners: September 14, Mondays and Wednesdays, 11:15-noon, Westford Public Library.

Winooski: TCA I and II: September 14, Mondays, 11 a.m.-noon, class has mixed skill levels, Winooski Sr. Center; TCA I and II: September 14, Monday evenings, 5:30-6:30 p.m., class has mixed skill levels, Winooski Sr. Center; Advanced: September 14, Mondays, 10-11 a.m., Winooski Sr. Center.

CVAA's Tai Chi for Arthritis falls prevention programs are offered at no charge, however donations are greatly appreciated. Open to all age 50 and over. Classes fill quickly and some have limited capacity so please pre-register early by calling CVAA at 800-642-5119, x1017 or email taichi@cva.org. New programs will be offered throughout the year. If the program you requested is no longer accepting new participants, ask to be put on a waiting list and we will contact you before the new program is announced.

The Yoga of Being There

BY LAURA WISNIEWSKI, DIRECTOR OF BEECHER HILL HEALTH

Tips for Caregivers

One of the most difficult situations we can deal with is the suffering of people we love.

Sometimes there is some action we can take to help relieve their suffering. Often, though, there seems to be nothing we can do. In fact, simply 'being there'

is a powerful source of comfort and relief.

In *Teachings on Love*, Buddhist monk, Thich Nhat Hahn says, "We do not need to suffer to remove suffering from another person. ...If we suffer too much, we may be crushed and unable to help...Compassion contains deep concern. You know the other person is suffering, so you sit close to her. You look and listen deeply to her to be able to touch her pain. You are in deep communication, deep communion with her, and that alone brings some relief. ...We need to be aware of the suffering, but retain our clarity, calmness and

strength so we can help transform the situation.”

What practical measures can we take to achieve “clarity, calmness and strength?”

- **Mindfulness:** In order to have a clear understanding of what my loved one needs, I have to pay careful attention to what is, rather than allowing my own assumptions or prejudices to cloud my perceptions. Mindfulness requires me to stay in the present moment and to focus fully on the details of the situation and the verbal and nonverbal communication from my loved one.
- **Meditation:** Meditation is practice for everyday life. I observe my thoughts and let them go without judgment or fear. This way I prepare for those times when, in the face of my loved one’s suffering, my thoughts of the past or present might otherwise hijack my mind.
- **Breath:** Working with my breath allows me to calm and center myself. Whether I am meditating, practicing Yoga, taking a walk, doing the dishes or sitting close to my loved one, I can bring my awareness to my breath. I can use a mantra like, “Breathing in, I am here. Breathing out, it is now.”
- **Embodiment:** We inhabit bodies. If I can bring my awareness and sense of location to my entire body-mind, not

just my mind, I have access to strength, stamina and important information. When I am fully in my body, I can perceive the nuances of my loved one’s condition and needs more fully. When I’m feeling strong emotions in response to my loved one’s suffering, I can try to become aware of the qualities and locations of my physical sensations. I can also do Yoga, tai chi, or other types of movement that bring my awareness more fully into my whole body.

- **Nourishment:** We all need nourishment to sustain and repair ourselves and to fuel our actions. It is important to take in the most life giving nourishment possible; my food, my relationships, my environment, music, messages have the potential to either deplete or enrich me.
 - **Rest:** If my loved one’s suffering is prolonged, I will need to rest, so that I can continue to be fully present to her or him when we are together.
 - **Connection:** Yoga teaches me that all things in the universe are interconnected and interdependent. This is the basis of my compassion for my loved one. When I seek support and help from other people and/or groups, I draw on a deep well of energy, wisdom and love that can enhance my clarity, calm and strength and deeply touch my loved one.
- If you would like more information about Yoga for caregivers, you can contact me at 482-3191 or bhy@beecher-hillyoga.com.

Drive Time – Safety Tips for VT Drivers

VT STATE POLICE, VT DEPT OF MOTOR VEHICLES, VTRANS, VT SHERIFFS ASSOCIATION. AND THE AARP DRIVER SAFETY PROGRAM

Move Over. It’s the Law.

Every day on our roadways, emergency responders work hard and risk life and limb to keep us safe and rescue us when we find ourselves in trouble. The least we can do is to give them a safe space as they work. Most of us have been doing that for years out of courtesy. Now it’s the law, with some minor variations, in all 50 states, but too many of us are still not aware of it. Our emergency responders work in dangerous situations all the time and drivers increase that risk when they zoom by and ignore the flashing lights. We all need to know the law and follow it, to protect those who protect us.

In Vermont, drivers are required to reduce their speed always, and on the highway, change lanes if it is safe to do so, whenever they are approaching a stationary law enforcement, fire, rescue or towing/repair vehicle with flashing lights.

So remember to move over when you can, and slow down when you can’t. It’s the law. And it’s still common courtesy.

Consumer Advisory Regarding County Jury Duty Scam

FROM CHITTENDEN COUNTY SHERIFF’S DEPT. AND VT ATTORNEY GENERAL’S OFFICE

The Chittenden County Sheriff’s Department and the Vermont Attorney General’s Office are warning consumers about a jury duty telephone scam. Many consumers in Chittenden County have reported receiving calls from a person claiming to be a Deputy Sheriff with the Civil Division of the Chittenden County Sheriff’s Office or an Elected Official in the Vermont court system; names of actual local deputies or local elected officials are being used in the calls.

This is not a call from law enforcement; it is a scam call.

The caller claims that the consumer has missed jury duty, that an arrest warrant has been issued, and that the consumer must pay a several hundred dollar fine via wire transfer or a prepaid money card or face arrest. The scam callers direct the consumer to go to a local pharmacy or store to buy the debit card or wire the money (using MoneyGram or Western Union).

The caller may leave a message with a call back number. That number is linked to a recorded message saying it is the office of the Civil Division of the Chittenden County Sheriff’s Office. This recording is part of the scam.

If you receive a call from someone claiming you have missed jury duty and that you owe a fine, hang up the phone. Neither local law enforcement nor staff of the Vermont court system would ask for a fine to be paid via wire transfer or pre-paid debit card.

If you receive this message on your answering machine, delete the message. Do not call back or attempt to engage with the scammers.

If you have questions or concerns about this or any other scam, please contact the Vermont Attorney General’s Consumer Assistance Program at 800-649-2424 or write to Consumer Assistance Program, 146 University Place, 103 Morrill Hall, UVM, Burlington, VT 05405.

First Annual Dog Party on Leavensworth Road a Wagging Success!

BY ANNALISE WOOD

Leavensworth Road had its first annual dog party on Sunday, August 16! The dog party was held at the Shumways' pond. There were 13 dogs invited and nine came. The dogs on the road that came were: Ella, Maizey, Sorella, Ho-

gie, Izzy, Soto, Blonde Bombshell, Luna and Oli. Hoagie has three legs because he had cancer in one leg. My brother and I made homemade dog biscuits. The Shumways brought a wiffle ball and bat for dogs to chase, whistles and balls that lit up and floaties and rafts for the water. Kim Shumway made a yummy dog cake that everyone loved! At one point there were a whole bunch of dogs and people in the water. After dinner, my brother and I stuck our faces in a bowl and ate pretzels like a dog! It was fun!

College Honors

Gregory Zengilowski, Class of 2015, and **Allison Zengilowski**, Class of 2017, both of Hinesburg, have earned the Dean's Award for academic excellence for the Spring 2015 semester at Colgate University (NY). This recognition is awarded to students with a 3.30 or higher term average.

Kristen L. Talley of Hinesburg has been named to Virginia Tech's dean's list for the spring 2015 semester. To qualify for the dean's list, students must complete at least 12 credit hours graded on the A-F option and earn a 3.4 grade point average (on a 4.0 scale) during the semester.

College News

Congratulations to the newest Spartans! Castleton University (VT) is excited to welcome **Silas Crawford**, **Michael French**, and **Bronwen Hopwood**, all of Hinesburg, who have recently registered for the fall 2015 semester!

In August, Champlain College welcomed one of its largest classes yet, including Hinesburg residents **Audrey Provost**, majoring in Game Art and Animation, and **Erin Beaudry**, majoring in Accounting.

Soto and Izzy being well-behaved!

Obituaries

Kenneth Jay Estey

Kenneth Jay Estey, one of "the greatest generation," passed away peacefully in the early morning of August 20, 2015, at the Green Mountain Nursing Home in Colchester, Vermont at the age of 95. He was born at home in Hinesburg, VT to Katherine Miner Estey and James Roy Estey (known as Roy) on January 18, 1920. He grew up on his parents' farm on Silver Street in Hinesburg, VT, known as "The Old Brick Mansion." He was an avid gardener all of his life starting at an early age. He was involved in the 4-H program with his chickens and cows and was always seen at the Champlain Valley Fair either with his animals or judging. He played the organ in several churches over a period of 75 years, and for a good part of the time was choir director. He was an avid reader, and especially loved history and animal stories. Later in life he acquired a computer and used e-mail frequently to keep in touch with family and friends. He also dabbled in genealogy, and had traced his generations back to the 1500s. Kenneth knew his plants, including their Latin names. He was well known for his beautiful gardens and arrangements. He was a great story-teller, and shared many interesting stories about his life with family and friends.

Kenneth went to school in Hinesburg and graduated from the University of Vermont in 1941, Cum Laude, and Alpha Zeta. He loved his UVM days. While in graduate school at the University of West Virginia, he was drafted into the Army during WWII, and saw action in Germany and France. During the war he became pen-pals with Ada Belle Cary, and they married in 1946. They operated a farm in Hinesburg until 1963 then moved to Vergennes and operated Fisher Flower Farm until 1988. They spent their retired years in Bridport. During retirement, Kenneth worked as a tour guide at the UVM Morgan Horse Farm in Weybridge. He loved the horses, and knew them all well. He had very fond memories of his days at the horse farm. He went horseback riding well into his 80s. His gardening was life-long, sharing the beauty with friends and family and brought arrangements every Sunday to church as long as he was able.

Kenneth is survived by his daughter, Kathryn Estey Beaudry (Gene) of Essex Junction VT, sons James B. (Isabella) of Chichester, England, Robert N. (Elaine) of Anchorage, Alaska, and Terrance J. (Diane) of Colorado Springs, Colorado. Seven grandchildren, Gavin, Heather, Kristine, Jesse, Tia, Kara, and Alisa,

Kenneth Jay Estey

five great-grandchildren Chloe, Harry, Mikaela, Gabe and Eve, many cousins, nieces and nephews.

Kenneth was predeceased by his wife, Ada Belle Cary Estey, parents, Roy and Katherine Miner Estey, and at age six, his younger brother Robert Estey.

Kenneth donated his body as an anatomical gift to the UVM Medical School, Burlington.

A memorial service will be held at a later date.

The family of Kenneth Estey would like to thank the Green Mountain Nursing Home, and Doctor David Little for his care during the past 4 years, and a special thank you to Reverend Joseph Murphy for his many visits with Kenneth. Ina Isham, thank you for sharing your stories at the nursing home, which Kenneth always looked forward to. Special thanks to his former physicians, Doctors Donald and Timothy Bicknell, and dear friends, neighbors, and relatives.

Kenneth wishes donations in his memory to go to any of the following: The Cystic Fibrosis Foundation; The UVM Morgan Horse Farm, Weybridge (attn: Steve Davis); The Addison Co. Humane Society; The United Church of Hinesburg; The United Methodist Church of Vergennes; The Methodist Church of West Addison; The Baptist Church of Addison; and The Congregational Church of Bridport.

"Thou will shew me the path of life: in thy presence is fullness of joy; at thy right hand there are pleasures for evermore." Psalm 16:11.

Religious Education (CCD): Monday evenings from 6:30 p.m.-7:30 p.m. for grades K-8. Registration is required.

The 9th and 10th grades (Confirmation Years) meet once a month. This is a two-year program. Watch Sunday bulletins for dates and times.

Please call Marie at 482-2290 (Parish Office) or 434-4782 (home) for more information.

Eucharistic Adoration: Eucharistic Adoration is held the first Friday of each month following the 8:00 a.m. Mass at St. Jude.

Food Shelf Weekend: Every third Saturday and Sunday. Parishioners are asked to make an extra effort to bring non-perishable canned and dried food in weekly for the Hinesburg Food Shelf. Food Collection baskets are in the entry for your convenience.

Senior Meals: Will be served from noon to 2:00 p.m. on the second and fourth Tuesday of each month unless otherwise noted. Food will be prepared by Meals on Wheels. There will be cards, board games and door prizes. Cost is \$4.00 donation. Please call in advance so we have plenty of food on hand. For reservations call Ted Barrett at 453-3087 or Marie Cookson at 482-2290 (parish office) or 434-4782 (home). Caretakers are welcome. Hinesburg Rides will pick you up and bring you home at no charge. For more information, call the parish office at 482-2290.

As you and your closets transition from summer to fall please consider donating those gently used but unwanted items to SCHIP (Shelburne Charlotte Hinesburg Interfaith Projects) ...the shop on RT 7, next to the town offices in Shelburne. SCHIP uses all its profits from the resale of gently used goods to grant funds to other non-profits in the 3 communities of Shelburne, Charlotte, and Hinesburg. To date over \$500,000 has been awarded to many organizations that improve the lives of those in need in our communities. Call the shop with any questions, 985-3595.

VOLUNTEER OPPORTUNITIES IN HINESBURG

Make a Difference

Hinesburg has always been a town of volunteers, stepping up whenever the call is put out for help. This column is a place for listing those needs.

Do you need volunteers for a Hinesburg event or non-profit organization? Send us the information and we'll publish it here. The posting could be for continuing commitments or one-time events. Send any requests to therecord@gmavt.net. Use "volunteer need" as a subject line. Supply a brief description of the duties, requirements and times needed and we will add it to this list.

Mentoring

Make a difference in the life of a child. Become a mentor at HCS. No tutoring involved, just being a buddy to a child who would benefit from adult friendship. And only one hour a week during the school year. Contact Ginny Roberts at groberts@cssu.org or **482-6271** for more information.

Meals on Wheels

Help out local area residents who cannot easily get out of their homes. Become a Meals on Wheels driver. Routes take anywhere from an hour to an hour-and-a-half depending on the day. You need not commit to a weekly schedule. Call Jane Gage at **482-6096** for more information.

Iroquois Soccer Club

The club accepts any level of volunteer participation and no special skills are required. Volunteer duties include repairing nets and lining fields, help with registration, or coaching during May and June. Contact Zoe Dawson at zdawson@hotmail.com or **571-533-5928** for more information.

Visit a Senior

Hinesburg seniors need your help. Some seniors live alone with limited social contact and would love to share their gift of gab with you. Just an hour of your time can make a big difference in the life of one of the seniors in our town. CVAA is currently looking for volunteer visitors for two men in Hinesburg, one of whom would particularly enjoy a little male camaraderie. If you would be willing to help one of these seniors, contact Bev at **1-800-642-5119** for more information.

Town Committees

Frequently there are openings on town committees. Here are some of the recent ones.

- Affordable Housing Committee
- Agency Request Review Committee
- Conservation Commission
- Energy Committee
- Recreation Commission
- Town Forest Committee
- Village Steering Committee

Check the town web site: hinesburg.org for the most current committee openings, descriptions and instructions on how to apply. For more information contact Renae Marshall **482-2281 x227** or rmarshall@hinesburg.org.

The Hinesburg Record

Help publish your community newspaper which is produced by volunteers who write, edit and lay it out each month. The Record needs people to write and edit copy, take photos, and help with distribution and mailing. One-time or occasional submission of articles is more than welcome.

If you are interested contact us at therecord@gmavt.net.

HINESBURG BUSINESS AND PROFESSIONAL ASSOCIATION OFFERS FREE JOB SEARCH AND POSTING SERVICE

BY JEAN ISHAM, HBPA

The Hinesburg Business and Professional Association (HBPA) has added to its web site space for area businesses to post employment openings and for area residents to post requests and/or resumes when seeking jobs. The service is free of charge to members and non-members. The Association encourages area businesses and job seekers to use the site. Expanded usage will enhance the value of the site to the community.

To access this service simply go to the HBPA web site, hinesburgbusiness.com, and click on the appropriate option: Seek A Job; Post A Job; Search Resumes; Post Resume. We think you will find the application easy to use. If you do not have ready access to a computer, access may be available through your local library.
